From

M. N. Krishna Rao, Esq., B.A.,
Offg. Comptroller, Mysore Government.

To

The Deputy Commissioners, Treasury Department, of all Districts.
No. Mily. 315-22, *dated* 1st *November* 1915.

The undersigned has the honor to authorise all District and Taluk Treasuries in the State to receive subscriptions for the Mysore Imperial Service Lancers War Fund and to credit the amounts so received under a new head to be opened in the treasury accounts under Debt heads immediately below that for the Indian Imperial Relief Fund.

2. For the convenience of subscribers and also to avoid numerous small payments into treasuries, responsible persons will be authorised by the Secretary to the Fund or by Deputy Commissioners on his behalf to receive subscriptions and pay them into the treasury. No one who has not obtained written permission from a competent authority should collect subscriptions. Authorised collectors will grant receipts to each subscriber in the special form prescribed for the purpose. Each collector will be supplied with a number of counterfoil receipt books by the Deputy Commissioner of his district on application. Both the foil and the counterfoil of the form should be carefully filled up. The grant of receipt on loose paper or any other form by collectors is strictly prohibited.

3. At the end of each month or whenever the collections exceed Rs. 50, the amount in hand should be sent to the treasury by the collector with a chellan. Special chellan forms in quadruplicate will be supplied to collectors for the purpose by Deputy Commissioners. The treasury should check the amount of the chellan with the amounts noted in the counterfoils of the receipt book covered by the chellan. It should also see that the treasury number of the chellan is correctly noted in the counterfoils and that in the chellan the numbers of the receipts covered by the chellan are noted.

4. In respect of payments tendered directly at District and Taluk Treasuries, the Treasury Officer will act as collector. He will give a receipt to the party in the prescribed form and transfer the collections to treasury balance at intervals in the manner indicated above.

5. A stock of counterfoil receipt books and quadruplicate chellan books is kept in the office of the undersigned and will be supplied on indent to Deputy Commissioners. A stock account of receipt books and chellan books should be kept in the office of Deputy Commissioners. Collectors should preserve the counterfoils of used up receipt books and chellan books to be returned when called for.

6. The treasury will, after crediting the amount in the accounts, send the quadruplicate copy of the chellan immediately by the day's post to the Honorary Secretary to the Fund. The triplicates will be collected and sent to the undersigned immediately after the close of the month with a schedule of receipts on behalf of the Fund. The duplicate copy will be filed in the treasury.

7. It is particularly requested that all delay either in despatching the chellan to the Honorary Secretary or the monthly accounts to the undersigned should be avoided.

Dated 12*th January* 1917.

To— All Drawers of Establishment Bills.

The rule contained in para 133 of the Treasury Manual in regard to the method of drawing the pay of menials is not now uniformally followed, as in some cases nominal details are given while in others they are not. The names of menials are not necessary in establishment bills and the practice of noting them therein should be discontinued. It is sufficient to show in one entry the total number of menials on the same rate of pay and the total amount drawn for them.

The certificate necessary in support of such claims is already printed in the bill form.

Dated 12*th January* 1917.

To—All Drawers of Establishment Bills and
Deputy Commissioners, Treasury Department,
all Districts.

The practice prevails in some offices of drawing separate bills for arrears of pay of establishments of different months even though they are all prepared on the same date. A separate bill for arrear claims of each month is not necessary and need not be prepared. Attention of all drawing officers is invited to Article 65 of Civil Account Code, Volume I, under which only one bill is necessary for all arrear claims of different months which have to be drawn at the same time; particulars of claims of the different months should, of course, be separately shown in the bill.

Circular No. 5737—539, dated 19th January 1917.

To—All Drawers of Salary and Establishment Bills and Deputy Commissioners of Treasury Departments of Districts.

With reference to the changes in State Provident Fund Rules sanctioned by Government and published on pages 2 and 3 of the Gazette of 4th January 1917, the attention of all drawers of salary and establishment bills is invited to the following points:—

1. The new rates of subscriptions should be adopted beginning with the amounts payable in February 1917. The rate of salary for the purpose of calculation of monthly subscription, payable for the remainder of the current official year, under the revised rule, should be that drawn in respect of the 31st January 1917.

2. From 1917-18, onwards the subscription should be based on the salary in respect of the 30th June of the previous financial year. The monthly rate of subscription should be in whole rupees. The minimum subscription is 6¼% of salary where this amount is not a sum in whole rupees, the sum in whole rupees below that amount should be taken as the minimum.

3. In the case of persons whose pay is less than Rs. 10 the minimum rate of subscription is half-anna in the rupee, rounded to the nearest multiple of 4 annas below the calculated amount.

4. In cases where the monthly minimum rate payable under the rule is less than a rupee, the nearest multiple of annas four below the calculated amount, should be paid.

5. The monthly subscription, a depositor elects to pay for any financial year, should be taken at that which is paid at his instance from his claim for the preceding June and the rate thus elected cannot be altered later on in the year.

6. In the case of the current year the rate of subscription elected and paid in February 1917, cannot be altered during the remainder of the year.

Officiating Comptroller.

INSURANCE.

THE MYSORE STATE LIFE INSURANCE—FAMILY PENSION BRANCH.

Dated 15th October 1914.

As sanctioned in Government Order No. Fl. 4906—B. 33-09-6, dated 18th March 1911, a Family Pension Branch was started as an adjunct to the Mysore State Life Insurance Scheme under separate Rules and has been in operation from August 1911. All employees of the Government who are eligible for life insurance may secure substantial pensions to their parents, wife, children and certain other relations by paying additional monthly subscriptions. For example an employee whose present age is twenty-five years, may secure a life pension of Rs. 5 payable from the date of his death, to his wife whose present age is 18, by paying a monthly subscription of Rs. 1-7-9. Similarly a monthly pension of Rs. 5 payable from the date of death of the subscriber to the date on which his son attains his 21st year or his daughter attains her 18th year or marries, may be secured to a son or daughter whose present age is 5 years, by paying a monthly subscription of Re. 0-11-7.

As a concrete instance of the benefits of the fund, the following case may be mentioned. An officer joined the Family Pension Branch as a subscriber in August 1913, the monthly subscription payable by him being Rs. 17-10-10. He died in September 1914, having paid subscriptions to the extent of Rs. 230. The following pensions are payable to his nominees:—

Monthly. Mother Rs. 10, wife Rs. 20, both for life. Each of his 4 daughters Rs. 10, till they attain their 18th year or marry.

There are reasons to believe that the existence of this Branch of the State Life Insurance office and its benefits are not known to many Government employees. Every one interested is requested to obtain a copy of detailed rules by applying to the Secretary to the Mysore State Life Insurance Committee, Bangalore.

INSURANCE COMMITTEE.

INSURANCE.

THE MYSORE STATE LIFE INSURANCE—FAMILY PENSION BRANCH.

Dated 15*th October* 1914.

As sanctioned in Government Order No. Fl. 4906—B. 33-09-6, dated 18th March 1911, a Family Pension Branch was started as an adjunct to the Mysore State Life Insurance Scheme under separate Rules and has been in operation from August 1911. All employees of the Government who are eligible for life insurance may secure substantial pensions to their parents, wife, children and certain other relations by paying additional monthly subscriptions. For example an employee whose present age is twenty-five years, may secure a life pension of Rs. 5 payable from the date of his death, to his wife whose present age is 18, by paying a monthly subscription of Rs. 1-7-9. Similarly a monthly pension of Rs. 5 payable from the date of death of the subscriber to the date on which his son attains his 21st year or his daughter attains her 18th year or marries, may be secured to a son or daughter whose present age is 5 years, by paying a monthly subscription of Re. 0-11-7.

As a concrete instance of the benefits of the fund, the following case may be mentioned. An officer joined the Family Pension Branch as a subscriber in August 1913, the monthly subscription payable by him being Rs. 17-10-10. He died in September 1914, having paid subscriptions to the extent of Rs. 230. The following pensions are payable to his nominees :—

Monthly. Mother Rs. 10, wife Rs. 20, both for life. Each of his 4 daughters Rs. 10, till they attain their 18th year or marry.

There are reasons to believe that the existence of this Branch of the State Life Insurance office and its benefits are not known to many Government employees. Every one interested is requested to obtain a copy of detailed rules by applying to the Secretary to the Mysore State Life Insurance Committee, Bangalore.

REPORT OF THE SUB-COMMITTEE APPOINTED TO DISCUSS THE DETAILS AND SUBMIT DEFINITE PROPOSALS FOR THE ORGANIZATION OF LABOUR RECRUITING DEPOTS TO ENSURE A SATISFACTORY SUPPLY OF DESIRABLE LABOUR IN THE MALNAD.

1. The Sub-Committee held three meetings.

2. The Sub-Committee have thoroughly discussed the subject in all its aspects and they are convinced of the fact that there is shortage of agricultural and other labour in the

A SCHEME FOR THE ESTABLISHMENT OF A LABOUR AGENCY IN THE KANARA DISTRICTS FOR THE SUPPLY OF LABOUR TO THE MALNAD DISTRICTS OF SHIMOGA AND KADUR.

1. There has been a loud and well founded complaint in the matter of the shortage of supply of labour in the malnad.

2. The present condition of depending upon indifferent labour, which drifts into the malnad part, from outside the State cannot any more be allowed to continue because of increased foreign competition and diminishing agricultural returns.

3. The following is an outline of a scheme for the establishment of a labour agency in the Kanara District for the supply of labour to the malnad districts of Shimoga and Kadur. The scheme contemplates the affording of relief for the present only to the areca-growers as they are in greater need of a special organization for this purpose, than the mere growers of paddy.

4. It is ascertained that for these two malnad districts there are at least 38,980 acres under garden cultivation, assessed at Rs. 310,347. It is also learnt that two men are required for work on every acre of land on an average under garden cultivation. On this computation, nearly 77,960 or in round figures 80,000 labourers would be necessary every year.

5. The point is how to get a supply of 80,000 fit labourers. We may take to account the indigenous labour available in the malnad itself. But the number of such labourers is after all very small. And even allowing as big a margin as 50% towards local labour there would still exist the need for 40,000 immigrant labourers.

6. To ensure that only fit labourers are enlisted, it is very necessary to establish labour agencies in centres from which it is possible to tap labour. One labour correspondent (of the status of an Amildar) would be necessary in the Kanara District with three agents working under him in the taluks of Udipi, Kundapur, Uppinangadi, Siddapur, Honnavar and Bhatkal, each agent being in charge of two taluks.

7. The pay and the scale of establishment provided for the labour correspondent and his agents are shown below:—

	Rs.
I. One labour correspondent with headquarters at Udipi on a monthly pay of Rs. 150 with a fixed travelling allowance of Rs. 50	200
One clerk to the above on a monthly pay of Rs. 20	20
Two peons, 1 (8) and 1 (7) per month	15
Contingencies including office rent for every month	30
Total ...	265
II. Three labour agents on a pay of Rs. 50 with a fixed travelling allowance of Rs. 30 per month for the six taluks of Udipi, Kundapur, Uppinangadi, Siddapur, Honnavar and Bhatkal, each agent being in charge of two taluks	240
Three clerks on Rs. 15 per month, one to each agent... ...	45
Three peons on Rs. 8 per month, one to each agent	24
Contingencies including office rent at Rs. 7 per month to each agent	21
Total ...	330
Grand Total per month ...	595
Cost for a year ...	7,140

8. Then again a commission of Rs. 5 for every 100 coolies supplied will have to be paid to the mestries, serveygars or kanganies who actually bring the labourers.

9. Next some provision will have to be made for the grant of temporary loans in exceptional cases of urgent need where the employers or their agents feel out of pocket. For this purpose an imprest of Rs. 300 to the correspondent and of Rs. 150 to each agent has been provided. The temporary loans will of course be recovered from the employers or their agents as soon as they return to their native places.

10. The total cost of the scheme for a full year will thus be Rs. 9,890 or in round figures Rs. 10,000.

To—All Drawers of Salary and Establishment Bills and Deputy Commissioners of Treasury Departments of Districts.

With reference to the changes in State Provident Fund Rules sanctioned by Government and published on pages 2 and 3 of the Gazette of 4th January 1917, the attention of all drawers of salary and establishment bills is invited to the following points:—

2. From 1917-18, onwards the subscription should be based on the salary in respect of the 30th June of the previous financial year. The monthly rate of subscription should be in whole rupees. The minimum subscription is 6¼% of salary where this amount is not a sum in whole rupees, the sum in whole rupees below that amount should be taken as the minimum.

INSURANCE.

THE MYSORE STATE LIFE INSURANCE—FAMILY PENSION BRANCH.

Dated 15th October 1914.

As sanctioned in Government Order No. Fl. 4906—B. 33-09-6, dated 18th March 1911, a Family Pension Branch was started as an adjunct to the Mysore State Life Insurance Scheme under separate Rules and has been in operation from August 1911. All employees of the Government who are eligible for life insurance may secure substantial pensions to their parents, wife, children and certain other relations by paying additional monthly subscriptions. For example an employee whose present age is twenty-five years, may secure a life pension of Rs. 5 payable from the date of his death, to his wife whose present age is 18, by paying a monthly subscription of Rs. 1-7-9. Similarly a monthly pension of Rs. 5 payable from the date of death of the subscriber to the date on which his son attains his 21st year or his daughter attains her 18th year or marries, may be secured to a son or daughter whose present age is 5 years, by paying a monthly subscription of Re. 0-11-7.

As a concrete instance of the benefits of the fund, the following case may be mentioned. An officer joined the Family Pension Branch as a subscriber in August 1913, the monthly subscription payable by him being Rs 17-10-10. He died in September 1914, having paid subscriptions to the extent of Rs. 230. The following pensions are payable to his nominees :—

Monthly. Mother Rs. 10, wife Rs. 20, both for life. Each of his 4 daughters Rs. 10, till they attain their 18th year or marry.

There are reasons to believe that the existence of this Branch of the State Life Insurance office and its benefits are not known to many Government employees. Every one interested is requested to obtain a copy of detailed rules by applying to the Secretary to the Mysore State Life Insurance Committee, Bangalore.

INSURANCE COMMITTEE.

1. Reconsidering the question of diverting the main drain and the Hoskote road.

Resolution.—The diversion of the main drain at the market further north to run along Malavalli Rama Rao's street is approved, since its proximity in spite of all possible improvements which may be effected will be a standing nuisance to the proposed Town Hall and Municipal Offices besides cutting the Market diagonally, while the capacity of the diverted drain will be slightly increased and the cost of the scheme will be nearly the same as that of improving the grading of the present main drain keeping its present alignment.

2. The location of the New Bamboo Bazaar.

Resolution.—The New Bamboo Bazaar may be placed in the Tigalar's garden to the south of Hoskota road, east of Ammachoudripalya behind a row of shop sites lining the Hoskote road. The provision of 41 sites each measuring not less than 50′ × 100′ is sufficient for the present. This was approved by the Bamboo merchants.

3. Fixing the alignment of continuing the Sultanpet road towards west to the Railway yard and linking up with the proposed diversion of the Magadi road.

Resolution.—(*a*) The alignment of the continuation of the Sultanpet road proposed by Mr. D'Cruz is approved.

(*b*) The link road across the main line between the proposed continuation of Sultanpet road and the diversion of Magadi road should be the direct alignment with a maximum gradient of 1 to 25. The two alternative alignments detouring easier gradients are not approved.

4. The lay out of the Industrial Suburb.

Resolution.—The lay out of the Industrial Suburb showing the sites and roads is generally approved with the remark that provision should be made for 20

superior cottage sites, 150 middle class house sites for maistries and artisans and 600 sites for cooly quarters.

The proposed new Madigarpalya may be shifted slightly northwards, if necessary, to provide for the above requirement.

5. The alignment of the continuation of Kitchetty Chattram road to the City Railway Station, through the Dharmambudi tank.

Resolution.—The alignment of continuation of Kitchetty Chattram road to the City Railway Station through the Dharmambudi tank is approved.

1. Proceedings of the previous meeting held on the 8th November 1916, were read and confirmed.

2. Alternative ground plans showing arrangements of lay out and accommodation for the proposed Town Hall and Municipal Office prepared by Messrs. J. E. A. D'Cruz and S. H. Lakshminarasappa.

5. Plans and estimates of the Municipal Office and Town Hall prepared by Mr. Lakshminarasappa.

Mr. D'Cruz placed before the meeting three designs :—

(1) One showing the Municipal Offices and Town Hall as one block of buildings, the Town Hall occupying one end and the Municipal Offices the other, in the site as approved to be laid out by deviating the Hoskota road in the last meeting.

(2) One showing the Town Hall as central building with Municipal Offices accommodated on both flanks in the site same as above. He did not press these for adoption however.

(3) Another design placing the Town Hall on one side and Municipal Offices on the other side of the existing Hoskota road which he does not propose to deviate as being the long established direct approach to the Market Circle and connecting with the Mysore road beyond it. For the purpose of giving an effect of solidity and unity to the whole as forming one block of buildings he proposes to connect the two buildings on either side of the road by an archway 40 feet wide surmounted by a dome. Mr. D'Cruz advocates the last design in preference to the other two.

Mr. Lakshminarasappa placed before the meeting a design showing the Municipal Offices presenting a frontal elevation 210 feet long and forming almost a structural part of the circle. The Town Hall is designed but its location will be either at the south-eastern end of the Municipal Offices and facing the Kalasipalya road or on a site where an 'Island' is proposed on the west of the circle in the plan of the Market Circle. The design fits in with the layout of the site as approved in the last meeting.

In discussing the merits of the several designs, the last design of Mr. D'Cruz and the one prepared by Mr. Lakshminarasappa only were considered.

Mr. Lakshminarasappa pointed out:—

(1) That his design of location and facade of the Municipal Office buildings with a tall conspicuous central dome would form an appropriate feature at the end of the vista looking straight from the Mysore road through the wide expanse of open space intended to be reserved opposite the market.

This effect is not obtained in Mr. D'Cruz's design which has an open archway below and a low dome above as the central feature at the end of the vista.

(2) While Mr. Lakshminarasappa's design presents MASS with characteristic central features, it is absent in Mr. D'Cruz's design. The artificial attempt by the archway connection hardly producing this effect, the roadway and the arch which are insignificant items of structure occupy the place of honor while the important buildings will be thrust to the corners of the circle.

(3) The approved proposal of diverting the Hoskota road would not be an inconvenience to traffic but an improvement if it is remembered that with the proposed connecting cross road behind the site of the Municipal Offices, and the diverted Hoskota road there will be two roads to direct the traffic away from the circle corresponding to two important roads from the west, *viz.*, the Police road and Mysore road instead of one as at present. The retention of the present road is advocated more by sentiment than by any reasonable æsthetic considerations. The present road is not likely to form a processional road to be treated with an archway as has been done by Sir Aston Webb, in the case of Mall entrance to St. James' Palace.

(4) The running of a public traffic road as in Mr. D'Cruz's design between two important buildings which have doors and windows opening on it would be highly prejudicial to the business to be transacted in those buildings. The din and dust of the constantly passing traffic will be intolerable while in the design of Mr. Lakshminarasappa which has its broadside on the circle the evil is very much less owing to the large size of the circle.

(5) The dignity of the buildings will be lost by taking the traffic road through them as in Mr. D'Cruz's design.

(6) If the Hoskota road were straight near the circle the archway proposed by Mr. D'Cruz would have formed a frame for the perspective view of the shop aligment on the Hoskota road, but placed as it is 70 or 80 feet away from the circle with the road behind it curving northwards, this object is not attained.

(7) Having placed the Municipal Office buildings as designed by Mr. Lakshminarasappa, it would very well balance with the Town Hall if it is to be placed opposite the market between that and the proposed out-patient Dispensary in the 'Island' space shown in the original design of the Market Circle.

(8) The design of Mr. D'Cruz would necessitate the demolition of the three storeyed building near Bamboo Bazaar as it will fall within the area of the buildings designed by him. Remembering it is a costly building worth about Rs. 20,000 it would be financially disadvantageous not to keep it and utilise it with or without slight modifications for some Municipal purposes.

While on the other hand, Mr. D'Cruz pointed out—

(1) That though his design kept the Town Hall and Municipal Offices as different buildings separated by a road, the connecting archway, treated suitably, would produce an effect of unity. Looking from the circle or beyond it the whole would present the effect produced by a single block of buildings. The very nomenclature of the scheme implies that Town Hall or the Municipal Offices should not merge one into another but form separate parts of a single unit and this view is satisfied by the arrangement in the design. Whereas in the design of Mr. Lakshiminarasappa, the Town Hall is relegated to form an insignificant adjunct placed in a far off corner on a road which is not possible to improve within the near future, or as a separate entity contrary to the original object of the Committee's proposals.

(2) From the stand point of perspective an opening at the end of vista, as provided by the archway surmounted by a dome would produce a feeling of pleasing expectancy of something behind. This is satisfied by the frontage shops that will rise along the southern side of the gently curving road, presenting a Kaleidoscopic view through the arched frame. But at the same time the structure of the archway and the building and dome over it would satisfy the taste of any fastidious on-looker who wants a veiling of the horizon at the end of the vista. Mr. Lakshminarasappa's design provides for blocking up the vista but the more artistic effect presented by the former is absent.

(3) Mr. Lakshminarasappa's design is wanting in MASS. It is practically a line without breadth, 210 feet long with about 50 feet or less breadth with the two flanks unsymmetrically inclined and offending one's sense of proportion and symmetry when seen behind. It is not only in a portion of the facade that architectural

effects are sought but in the treatment of the whole of the building perhaps more in some parts and less in another, for instance a man coming from the East, let us presume along the deviated road, has no pleasing features to meet his eye until he drops into the circle and turns almost right round to get a view of the Municipal Office buildings. It is needless to say that Mr. D'Cruz's design has a different effect.

(4) Regarding the question of keeping the present road intact. Town Planning requires—(*a*) that old sentiments even if they are only such, should not be wounded, (*b*) convenience should not be diminished. Architecture should heighten the beauty of Town Planning not tend to distroy it. The old designers of the Hoskota and Mysore roads have connected the two roads by straight reaches about six chains long on each side of the circle so that the connecting link crosses the Avenue road at right angles to make the periphery of the circle as big as possible between the several roads converging into the circle, what will be the effect of deviating the Hoskota road as proposed? It will bring the opening into the circle of this road very near to the opening of the Avenue road just 50 feet measured along the circumference, when two such heavy traffic roads converge into the circle with such a short interval between them the danger of collision is quite obvious to need any explanation.

(5) It is not true to say that the Hoskota road will not be a processional road. The widening of the Avenue road having been postponed, the Hoskota road with its proposed improvements as a main shop road would be much better suited for a processional road than any other in the City, otherwise it would not be worthwhile spending such a large amount in its improvement. It is therefore that an artistic archway on the road just as in enters the Market circle which is admittedly the 'hub' of the City will not be in-appropriate according to the views of Mr. Lakshminarasappa himself. Further the erection of an arched entrance will be in keeping with Indo-Saracenic mode of treating what would otherwise be a featureless road especially when the Indo-Saracenic style of architecture has been proposed to be adopted all round.

(6) Financially, the deviation of the road would entail the acquisition of more properties beyond or North of the drain and would result in the swelling of the amount of compensation leaving correspondingly less for the construction of the buildings.

Resolution.—All these points having been considered by the members of the Committee, 7 voted for Mr. D'Cruz's design and 2 for Mr. Lakshminarasappa's (President not voting).

Rao Bahadur K. Krishniengar's opinion is appended. He is in favour of Mr. D'Cruz's design.

3. (*a*) Plan and estimate for stalls in the New Market.

(*b*) Elevation of the Market designed by Mr. Lakshminarasappa.

Resolution.—The plans and elevations produced by Mr. D'Cruz and Mr. Lakshminarasappa respectively were generally approved.

4. Discussion of the main lines of the sewerage system to be adopted for the City.

Resolution.—Mr. D'Cruz explained that the main lines on which sewerage scheme is being prepared were:—

(1) Twenty gallons per head of population was taken as the quantity of sewage to be disposed of, half to be discharged in eight hours.

(2) Provision in the capacity of mains to be made on the assumption that the present population of the City and Extensions was 100,000 with a prospective increase of 30 per cent.

(3) The whole City is divided into six drainage areas for sewerage scheme; as it is not advisable to have a number of separate out-fall and disposal works which will mostly lie on the West or windward of the City, it is proposed to divert all the sewage to the Sunkal tank out-fall works which lies leward of the City.

(*a*) The sewage of Malleswaram and Seshadripuram have a natural out-fall behind Jakkaraya tank where it will be collected in a well near the waste weir of the Jakkaraya tank and pumped by a motor pump across the ridge into the main City system.

(*b*) Western part of Arlepet drains into the Agrahara tank valley and it is proposed to collect it in a well near the waste weir of the tank, pump it across the ridge into the City system.

(c) Basavangudi, Chamarajpet and Shankarpuram drain into the Kempambudi tank valley. A sewerage scheme with out-fall works having been constructed, this portion will be left as it is for the present though provision will be made in the design of the main out-fall sewer to take all the sewage of this area also whenever it is found necessary to do so.

(d) The City area which drains into the Sunkal tank valley through the main drain is the main area to be worked out. A separate main sewer will be laid along the main storm drain but outside it and all sewage that is now flowing through the drain will be intercepted and carried by the sewer so as to keep the main drain always free of sewage.

(4) The main in the final reach will be an ovoid reenforced concrete sewer.

Resolution.—The main lines of working out the scheme as explained above were approved.

6. Government Proceedings No. 3393-5—Ml. 94-16-10, dated the 27th November 1916, sanctioning additional establishment to work under Mr. D'Cruz, in connection with the proposed City Improvement Works, apart from the City drainage works.

Resolution.—Recorded.

9. Municipal Engineer's proposal suggesting the appointment of one Overseer on Rs. 60 plus 10, two Sub-Overseers on Rs. 30 plus 10 each for preparing and scrutinising the valuation statements of properties to be acquired for the several City Improvement Schemes and stating that preliminary valuation statements prepared for the following schemes are pending verification and check.

I. Read and confirmed the proceedings of the last meeting held on the 18th September 1916.

II. Read Revenue Secretary's letter No. 2132-4—L. B. 32-15-13, dated the 25th September 1916, requesting that necessary steps may be taken for the levy of the Railway cess in the District from the year 1916-17, for the Chikmagalur-Belur-Hassan line.

Resolution.—Mr. C. Lake on behalf of the South Mysore Planters' Association protests against the opening of the proposed Railway line on the ground that the traffic on this side is poor, that it will be advantageous to take up the line from Hassan to Saklespur and on to Chikmagalur *via* Mudgere, as it will open up the malnad and eventually facilitate the opening of an outlet to the West Coast which the Government have in view.

Several members support Mr. Lake's opinion and the opinion was divided on the question of the line, Mr. Thammaiya and a few others preferring the proposed line *via* Belur. In the meanwhile the Board think that the Government be requested to favour the Board with the probable cost of the line *via* Saklespur and Mudgere.

As regards the Finance the mere levy of half anna cess will not even cover the interest payable on the loan and so the Board consider that it will be better one to levy one anna cess. On this point the opinion of the Taluk Board will be called for before sending a reply to Government.

III. Read Senior Surgeon's letter No. 1464, dated the 23rd September 1916, informing the necessity for the establishment of a Maternity at Saklespur and requesting opinion of the District Board in the matter of meeting the quota of cost towards the proposal.

(*a*) Read Manjarabad Taluk Amildar's report No. 66, dated the 12th October 1916, forwarding copy of resolution of the Municipal Board expressing their inability to meet the Municipal quota of cost.

Resolution.—The Board desire to invite attention to their previous resolution No. VII, dated the 17th September 1914, and would also forward Manjarabad Taluk Amildar's report containing the resolution of the Saklespur Municipal Board.

IV. Read Hassan Town Assistant Veterinary Inspector's letter No. 97, dated 19th November 1916, reporting that the breeding bull by name "Sankara" being nine years old is of very little use for breeding purposes and proposing to sell the same by replacing a new one during the cattle show at Hassan in January 1917.

Resolution.—Approved.

V. Read Saklespur Sub-Division Assistant Commissioner's yadi No. 170, dated 6th November 1916, forwarding an estimate amounting to Rs. 11,350 for constructing a masonry bridge across Kaganur halla in Manjarabad Taluk.

Resolution.—The question will be deferred.

VI. Read Hassan Division Executive Engineer's letter No. 461, dated 23rd November 1916, requesting revision of the programme of important bridges proposed to be constructed in the Hassan District in the order of their urgency.

Resolution.—Resolved that the list as revised be sent to the Executive Engineer.

VII. Read Government Order No. 3772-4—L. B. 179-13-9, dated 11th December 1916, sanctioning the project for constructing a bridge across the Hemavati near Gorur at a reduced cost of Rs. 1,30,000 and directing that the District Board may raise a private loan of Rs. 65,000 and obtain a contribution from Government towards the cost of the work which should be started only after the deposit is made, etc.

Resolution.—It is brought to the notice of the Board that only Rs. 50,000 was promised as contribution. Resolved that steps be taken to collect the same.

VIII. Read Government Order No. 3548-9—L. B. 19-16-4, dated 2nd December 1916, sanctioning the levy of fees in the Dodhalli santhe in the Hole-Narsipur Taluk at the rates sanctioned in Government Order No. 6415-7—L. B. 366-09-4, dated 22nd February 1913.

Resolution.—Resolved that the fees be levied with effect from February 1917 and that the right be sold by the Amildar in person at the spot on the next Shandi day.

IX. Read correspondence ending with Channarayapatna Sub-Division Officer's yadi No. 401, dated 4th August 1916, reporting the undesirability of establishing a Santhe at Harnhalli as prayed for by the petitioners as it will interfere with those at Janagal-Gandasi and Arsikere, which are within a short distance.

Resolution.—The Board think that the establishment of a Santhe at Harnhalli is unnecessary.

X. Read correspondence ending with Channarayapatna Taluk Amildar's report No. 375, dated 28th September 1916, recommending sanction to a supplemental bill amounting to Rs. 12-7-0 being the pay due to K. Narasimhachar, Sanitary Inspector, from the 5th to 16th February 1913. (The time occupied by him to join duty at Bagepalli.)

Resolution.—Sanctioned.

XI. Read correspondence ending with Channarayapatna Sub-Division Officer's yadi No. 556, dated 18th November 1916, in the matter of the recovery of a sum of Rs. 315 and Rs. 355 from the Muzrai and the Education Departments, respectively, for the occupation of the musafirkhana at Channarayapatna for annachattram and for Hindustani School from July 1902 and from February 1899, respectively, and also requesting orders for the removal of the same from the musafirkhana building.

Resolution.—Resolved that the Education Department be addressed in the matter of recovering the rent for the location of the Hindustani School and for shifting it to a proper place, the annachattram being since ceased to exist.

XII. Read resolution No. VIII, dated 31st October 1916 of the Hassan District Committee, Malnad Improvement Scheme stating that as Arkalgud is only seven miles from Mallipatna the claims of Mallipatna for a dispensary may be considered after more urgent claims have been satisfied.

Resolution.—Recorded

XIII. Read and recorded the following Government Orders:—

(2) Government Order No. 2252-4—L. B. 64-16-2, dated 11th October 1916, sanctioning the recommendation of the District Board to the grant of a sum of Rs. 1,000 for affording relief to the villagers of Kirisave village, Channarayapatna Taluk.

(3) Government Order No. 2900-9—L. B., dated 11th November 1916, prescribing a form for submission of the quarterly statements of District Fund incomplete works.

INSURANCE.

THE MYSORE STATE LIFE INSURANCE—FAMILY PENSION BRANCH.

Dated 15th October 1914.

As sanctioned in Government Order No. Fl. 4906—B. 33-09-6, dated 18th March 1911, a Family Pension Branch was started as an adjunct to the Mysore State Life Insurance Scheme under separate Rules and has been in operation from August 1911. All employees of the Government who are eligible for life insurance may secure substantial pensions to their parents, wife, children and certain other relations by paying additional monthly subscriptions. For example an employee whose present age is twenty-five years, may secure a life pension of Rs. 5 payable from the date of his death, to his wife whose present age is 18, by paying a monthly subscription of Rs. 1-7-9. Similarly a monthly pension of Rs. 5 payable from the date of death of the subscriber to the date on which his son attains his 21st year or his daughter attains her 18th year or marries, may be secured to a son or daughter whose present age is 5 years, by paying a monthly subscription of Re. 0-11-7.

As a concrete instance of the benefits of the fund, the following case may be mentioned. An officer joined the Family Pension Branch as a subscriber in August 1913, the monthly subscription payable by him being Rs 17-10-10. He died in September 1914, having paid subscriptions to the extent of Rs. 230. The following pensions are payable to his nominees :—

Monthly.—Mother Rs. 10, wife Rs. 20, both for life. Each of his 4 daughters Rs. 10, till they attain their 18th year or marry.

There are reasons to believe that the existence of this Branch of the State Life Insurance office and its benefits are not known to many Government employees. Every one interested is requested to obtain a copy of detailed rules by applying to the Secretary to the Mysore State Life Insurance Committee, Bangalore.

INSURANCE COMMITTEE.

I. Questions and Answers.

Mr. K. Shankaranarayana Rao:—

1. a. Question.—What is meant by the expression "membership of the University" and the word "member" used in clause i, sub-section 2 of section 21 of the Mysore University Regulation, No. V. of 1916?

Answer.—It is meant to include a larger body than Professors, Fellows, etc., as for example, Under-graduates.

b. Question.—Whether the expression includes "the authorities and officers of the University" as defined in section 8 of the Regulation?

Answer.—It has apparently been considered unnecessary to define the expression.

2. Question.—Section 10, clause 2 of the Regulation provides that the Council shall consist of some *ex-officio* members and of members appointed by the Chancellor under sub-clause (v) of clause 2. But the proviso adds that the Government may, at any time, direct that all or any of those who are not *ex-officio* members may be elected by the Senate.

Does the proviso to section 10 referred to give power to Government to modify the powers of the Chancellor referred to in sub-clause (v) of sub-section 2 of section 10 of the Regulation?

Answer.—Apparently yes.

3. The courses of study prescribed in sections 50 and 51 of the First Ordinances of the Mysore University, for the B.A. and B.Sc. Degree Examinations are almost

identical so far as the languages and Science groups are concerned. (*Vide* section 50, I, II and III A and section 51, clauses I, II and III.)

a. Question.—Is any real distinction intended between the two degrees?
Answer.—Yes.

b. Question.—If so, in what particulars?
Answer.—Less of English and less of second language and more of the special subjects, have to be studied in the B.Sc. Course.

c. Question.—Should there not be more of scientific instruction and less of language for the B.Sc. than for B.A. Course?
Answer.—Yes.

d. Question.—Have any other Universities conferring B.Sc. degrees similar courses for the B.Sc. in languages?
Answer.—Will be answered at the next meeting, if repeated.

4. Question.—Is it proposed to appoint any Examiners from outside the Mysore Province for the University Entrance Examination and the First Year Course of the B.A. Examination?
Answer.—For appointing external examiners no distinction is considered necessary between those in and those outside the State.

5. Question.—Have the time *when* and the places *where* the Examinations are to be held, been fixed yet?
Answer.—No.

The consideration of the remaining propositions was postponed to the next meeting.

Resolved that the next meeting be held on Friday the 17th November 1916 at 1 P.M.

Mr. Chandy opposed. Mr. Chakravarti in opposing stated that it was an illogical p position and that if it were allowed, most of the urgent propositions would be put off.

Votes were then taken. Seven were for, the majority being against.

Resolved that the order in the agenda be followed.

4. PROPOSITIONS BY MR. M. T. NARAYANA IYENGAR.

(1) That a Special Board be appointed to consider and moderate the tabulated ma of the University Entrance Examination, as in the case of the Madras University Matr lation and Intermediate Examinations.

Proposed by Mr. Narayana Iyengar and seconded by Mr. Subramanya Iyer.

The Vice-Chancellar invited the attention of the Senate to Ordinance 14 (ii) explained that the Council had power to appoint Boards of Examiners and Moderators, that if the Senate passed a resolution that a Board of Moderators should be appointed, Council would appoint the Board.

Mr. Hanumantha Rau saw no special necessity for the proposed Board.

The proposition was put to the vote. Nineteen were for and 2 against.—Carried.

(2) That the first year Certificate Examination be optional in the case of students proceeding to the Mysore-University Degree Examinations, and that it shall not be allowed to interfere with University Course of studies.

Proposed by Mr. M. T. Narayana Iyengar and seconded by Mr. M. C. Rangiengar.

The Vice-Chancellor explained that Ordinance 59 laid down the conditions required to secure a pass in the Entrance Examination and that Ordinance 60 applied to a similar rule in the case of those "who wish to obtain qualifying certificates" at the first year's examination. If the Senate adopted the motion, it would have to be decided whether there would be a separate examination for promotion or not, and whether there should be two different examinations. Ordinance 60 apply only to those who desired to discontinue their course in the University; the results of other candidates being judged only by the College authorities for the purpose of promotion. Those who obtained the minimum number of marks prescribed by Ordinance 60 would alone be entitled to obtain certificates; but promotion would be decided by the College authorities who would have power to suitably moderate the results of the examination in the light of the College record and other factors.

Mr. McAlpine wish to know whether the Madras University had agreed to accept the examination at the end of the first year under the Mysore University. The Vice-Chancellor replied that they had not yet done so.

Mr. J. S. Chakravarti thought that in view of that circumstance it was desirable to have a public examination (instead of one public and one college) with a uniform standard and to make it compulsory for all students as indicating a definite standard.

Mr. Shankarnarayana Rao, Mr. Karpur Shrinivasrav and Mr. S. Krishnaswami Iyengar also agreed in the view expressed by Mr. Chakravarti.

Mr. Mir Humza Hussain and Mr. Chandy supported Mr. M. T. Narayana Iyengar's proposition. After this discussion Mr. Narayana Iyengar asked for leave to withdraw his proposition. Mr. Chandy opposed.

Twenty-five were for granting leave and 9 against. Resolved that Mr. Narayana Iyengar be allowed to withdraw his proposition.

(3) (*a*) That Athletics and Games be made compulsory during the first two years of the University Course.

Proposed by Mr. Narayana Iyengar and seconded by Mr. Chandy.

Rev. Mr. Fuller opposed the motion and said that by adopting the proposition the University would be reduced to the level of a High School. Mr. Thos. Denham also opposed and referred to the activities of the Committee appointed by the Council for the medical inspection of students. The Vice-Chancellor further explained that the Committee's recommendations had been adopted by the Council and that it was intended to place the matter before the next meeting of the Senate.

Mr. Chakravarti said that an almost identical subject had been proposed by him for the consideration of the Council.

In view of these discussions Mr. Narayana Iyengar withdrew his proposition.

(*b*) That religious knowledge be insisted upon as part of the University Course (though not as part of the University scheme of examinations) and that facilities be provided for imparting the same in the University Hostels and Unions.

Mr. M. T. Narayana Iyengar proposed, Mr. Karpur Shrinivasrav seconded and Mr. K. Krishna Iyengar supported the proposition.

Mr. B. M. Srikantiah wished to know whether the first part of the proposition referred to the students in the class and the latter to those in Hostels and Unions.

Mr. Narayana Iyengar explained that his idea was that religious knowledge should form part of the University Course.

Mr. Puttanna Chetty opposed the motion and in doing so referred to the discussion at the Legislative Council. He said that the Mysore University was not a denominational University and that it was a wiser plan not to bring the matter within the arena of discussion at all. The subject had been discussed elsewhere and opposed.

Mr. P. Raghavendra Rao also opposed the motion. He said that it would be impolitic and impractical to impose compulsory religious training in a University Scheme and that religious instruction should be pursued and completed in the home.

Mr. Mackintosh also opposed the motion and drew an instructive contrast between the practices obtaining in the Scotch and the older English Universities.

Mr. Mir Humza Hussain also opposed the motion. He said that the subject had been discussed by the Economic Conference and the matter was not pursued further. He thought that an attitude of strict neutrality should be maintained and proposed that the question be dropped.

Mr. Campbell thought that religious instruction without examination was useless, and he would like to know exactly if the mover wished to make religious instruction compulsory or optional.

The Rev. A. R. Fuller proposed that the proposition might be put to the vote and Mr. K. Chandy seconded.

The proposition was accordingly put to the vote. Seven were for; the majority being against the motion, it was lost.

(4) That in Ordinance 62, line 3, the number 60 be changed to 50.

Mr. M. T. Narayana Iyengar moved the proposition.

The Vice-Chancellor explained the circumstances under which Ordinance 62 was inserted.

Mr. Hanumanta Rau moved his amendment noted below and in view of the fact that Ordinances 59 and 60 having already been dealt with, begged leave to refer only to Ordinances 61 and 62.

The Amendment—"That a Committee of the Senate consisting of Mr. M. T. Narayana Iyengar, Sir Leslie Miller, Mr. J. S. Chakravarti, Mr. N. S. Subba Rao and the mover be appointed to consider and report on Ordinances No. 59-62."

Mr. V. Subramanya Iyer seconded it.

The Vice-Chancellor ruled it out as not being strictly an amendment.

The proposition was then taken up for consideration. Mr. J. S. Chakravarti proposed that the whole question might be considered after Mr. Hanumanta Rau brought forward his fresh proposition.

At this stage Mr. C. R. Reddy proposed under Rule 52 of the Rules for the conduct of business of the Senate that the subject brought forward by Mr. M. T. Narayana Iyengar be referred to a Select Committee consisting of Mr. M. T. Narayana Iyengar (Convener), Sir Leslie C. Miller, Mr. J. S. Chakravarti, Mr. N. S. Subba Rao and Mr. B. Hanumanta Rau.

Mr. R. H. Campbell seconded it.—Carried unanimously.

4. (5) That in connection with Ordinance 58, a Committee be appointed to lay down a working scheme applicable to all University candidates.—Withdrawn.

5. Proposed by Mr. K. Chandy, B.A.—That a select Committee of the Senate be appointed consisting of the following members, *viz.*:—

Dewan Bahadur Rajasabhabhushana
Mr. K. P. Puttanna Chetty.
" M. Venkatakrishnayya.
" Mirza Md. Ismail.
Mr. V. Rangaswami Iyengar.
" C. R. Reddy.
" H. R. Krishnamurti and the mover of the proposition, with Mr. C. R. Reddy as Convener, to submit detailed proposals in respect to the Extension Scheme of the University.

Mr. Chandy moved the proposition and Mr. C. Krishna Rao seconded it.

Mr. Thos. Denham described as follows the action already taken by the Council under Ordinance 73:—

A small preliminary Committee was appointed by the Council in August, and the report of this Committee was referred to the Extension Lectures Board which was constituted by the Council in September. This Board consists of the following gentlemen:—

5. Mr. E. P. Metcalfe, B.Sc.
6. Mr. M. C. Rangaiengar, B.A.
7. Mr. N. S. Subba Rao, M.A.
8. Mr. C. R. Narayana Rao, M.A., L.T.

The following arrangements have been made for the current academic year:—

Professor N. S. Subba Rao	...	Introduction to the study of Economics.
Professor S. Krishnaswami Iyengar	...	History of Vijayanagar.
Mr. B. Venkatesachar	...	Popular Astronomy.
Mr. C. R. Narayana Rao	...	Snakes.
Dr. Srinivasa Rao	...	Parasitical Diseases.

The last four lectures are to be illustrated by lantern slides, some of them specially prepared for the occasion. All lectures are to be free, but admission by ticket. Each lecture will be followed by class instruction to such as wish to take up the subject seriously.

Mr. Chakravarti thought that as the question had not been lost sight of, and that as the matter was one devolving on the Council there was no necessity for a separate Committee, and suggested that the proposition might be withdrawn.

Mr. Chandy however pressed for the consideration of the proposition and said that under the University Scheme as finally sanctioned by Government, the extension work had taken a less important place than what he had expected, and that his proposition was intended to recommend to the Senate and ultimately to Government the great importance of extension work. He thought the ideal to be aimed at was that not merely every student but every man in the State should look up to the University for light and guidance, and that along with the conferring of benefits on the alumni of the University should also go the shouldering of responsibility by them.

Mr. Denham explained that a scheme for the permanent organisation of the Extension Lectures Bureau was being formulated by Mr. N. S. Subba Rao and that it was intended to carry extension work out into the districts.

The proposition was then put to the vote. Four were for, the majority being against it.—Lost.

6. (1) Proposed by Mr. Sankaranarayana Rao, M.A., B.L.—

That in the opinion of the Senate the study of Kannada should be made compulsory wherever the study of a second language is provided for in the courses of study in the Mysore University.—Withdrawn.

(2) That a University Professor of Kannada should be appointed, of the qualifications that may be fixed by the University Council.

In moving the proposition Mr. Shankaranarayana Rao referred to the activities of the Telugu people for securing a separate University and added that his proposition was intended to improve the Kannada language and give it the status it deserved. He also added that the scheme had the advantage of attracting all the Kannada speaking people, even of the Madras and Bombay Presidencies, and that as regards endowments also facilities would be created.

Mr. K. P. Puttanna Chetty seconded the proposition and stated that in his opinion it was the bounden duty of the University to raise the status of the Kannada language and that one method for doing so was to appoint a Professor of Kannada.

Mr. J. S. Chakravarti pointed out that the work which was to be done in both the Colleges was of the same kind and that one Professor of Kannada would not be enough. He thought that if it were possible to arrange to get a type of man who could not be obtained at present, that was a different matter; but if it was only a new name for the old appointment, the matter might be postponed.

The Vice-Chancellor explained that Kannada was a second language, that it was under contemplation to open M. A. courses and that it might then become necessary to appoint a Professor with high qualifications, such as a knowledge of the other Dravidian languages, Sanskrit and English.

Mr. Shankaranarayana Rao finally stated that his idea in moving the proposition was that as much preliminary investigation was necessary to raise the status of Kannada, a Kannada Professorship should be created and applications invited. His idea was not that a Professor should necessarily be appointed immediately.

Votes were then taken. Twenty-three were for and 1 against.—Carried.

7. (1) Proposed by Mr. Karpur Shrinivasrav:—

That a Committee consisting of—

1. Rao Bahadur Mr. K. Krishna Iyengar,
2. Mr. M. T. Narayana Iyengar,
3. Dr. Leslie C. Coleman,
4. Mr. C. S. Balasundaram Iyer,
5. Dr. Alfred Hay,

That a Committee consisting of—

6. Mr. N. S. Subba Rao,
7. Mr. M. Venkatakrishnayya,
8. Mr. P. Raghavendra Rao,
9. The mover,

be appointed to consider the Ordinances, etc., and submit their report in the course of a month and that the same be considered at an adjourned meeting of the Senate in the month of December.

Mr. Karpur Shrinivasrav moved the proposition and in doing so proposed to omit the the word "etc." after "Ordinances."

Mr. K. Krishna Iyengar seconded it. At this stage the Vice-Chancellor explained the provisions of Section 21, sub-sections 3 and 4 of the Mysore University Regulation. Mr. H. Hanumanta Rau suggested that the proposal might be ruled out as being a large order.

Mr. S. Krishnaswami Iyengar opposed the motion. Mr. Sankaranarayana Rao also opposed the proposition and said that it would not be fair to appoint a Committee to investigate the whole Ordinances as proposed and that such action would also be likely to be misconstrued as a reflection cast on the framers of the Ordinances.

Mr. J. S. Chakravarti said that the proposition did not deserve to be thrown out with such violence as was suggested and that the only point for consideration was whether any useful purpose would be served by revising the Ordinances wholesale.

Mr. Karpur Shrinivasrav replied in support of his proposition and added that he did not move it with a view to casting reflection on the framers of the Ordinances.

Votes were then taken; 3 were for the proposition, the majority being against it.—Lost.

7. (ii) That in Ordinance No. 5 the word "twice" be substituted for the word "once" and the words 'October or November and' be added after the word "and."

Mr. Karpur Shrinivasrav moved the proposition, and Mr. Puttanna Chetty seconded it, and stated that in the earlier stage of the working of the University the Senate should meet often.

The Vice-Chancellor explained that Ordinances 5 and 6 provided for as many meetings as might be necessary.

Mr. Chakravarti also pointed out that any six Fellows might call for a meeting and added that the Vice-Chancellor had also power to do so, and that though he was not against the proposition he did not consider that an obligatory provision in that respect was necessary.

The proposition was then put to the vote; 22 voted for and one against.—Carried.

The Meeting dissolved at 5-30 P.M.

Vice-Chancellor and Chairman.

To—All Drawers of Bills in Form No. Fin. 101 A. and Deputy Commissioners, Treasury Departments, of Districts.

The salaries of the marginally noted officers on Provincial Scales of Establishment are now being drawn on separate bills in Form No. Finl. 101A. and not on those on which the pay and allowances of the establishments—clerical and menial—working under them are drawn. Government have, in their Order No. Fl. 4521-70—G. F. 155-16-2, dated 14th February 1917, directed that this practice should be changed and that the salaries of these officers should, in future, be included and drawn in the regular establishment bills in Form, Finl. 19. The undersigned has the honor to request that this new procedure sanctioned by Government be brought into effect commencing with the bills for February 1917, presented for payment on or after 1st March 1917. According to the new procedure there should be but one bill prepared in Form No. Finl. 19 for each establishment concerned and it should include the pay and allowance of the officers noted above and also of the members of their establishments. Separate bills for the above officers in Form No. Finl. 101A. should not hereafter be cashed by Treasuries.

To

The Deputy Commissioners, Treasury Department, of all Districts.

No: Mily. 315-22, *dated 1st November* 1915.

The undersigned has the honor to authorise all District and Taluk Treasuries in the State to receive subscriptions for the Mysore Imperial Service Lancers War Fund and to credit the amounts so received under a new head to be opened in the treasury accounts under Debt heads immediately below that for the Indian Imperial Relief Fund.

2. For the convenience of subscribers and also to avoid numerous small payments into treasuries, responsible persons will be authorised by the Secretary to the Fund or by Deputy Commissioners on his behalf to receive subscriptions and pay them into the treasury. No one who has not obtained written permission from a competent authority should collect subscriptions. Authorised collectors will grant receipts to each subscriber in the special form prescribed for the purpose. Each collector will be supplied with a number of counterfoil receipt books by the Deputy Commissioner of his district on application. Both the foil and the counterfoil of the form should be carefully filled up. The grant of receipt on loose paper or any other form by collectors is strictly prohibited.

3. At the end of each month or whenever the collections exceed Rs. 50, the amount in hand should be sent to the treasury by the collector with a chellan. Special chellan forms in quadruplicate will be supplied to collectors for the purpose by Deputy Commissioners. The treasury should check the amount of the chellan with the amounts noted in the counterfoils of the receipt book covered by the chellan. It should also see that the treasury number of the chellan is correctly noted in the counterfoils and that in the chellan the numbers of the receipts covered by the chellan are noted.

4. In respect of payments tendered directly at District and Taluk Treasuries, the Treasury Officer will act as collector. He will give a receipt to the party in the prescribed form and transfer the collections to treasury balance at intervals in the manner indicated above.

5. A stock of counterfoil receipt books and quadruplicate chellan books is kept in the office of the undersigned and will be supplied on indent to Deputy Commissioners. A stock account of receipt books and chellan books should be kept in the office of Deputy Commissioners. Collectors should preserve the counterfoils of used up receipt books and chellan books to be returned when called for.

6. The treasury will, after crediting the amount in the accounts, send the quadruplicate copy of the chellan immediately by the day's post to the Honorary Secretary to the Fund. The triplicates will be collected and sent to the undersigned immediately after the close of the month with a schedule of receipts on behalf of the Fund. The duplicate copy will be filed in the treasury.

7. It is particularly requested that all delay either in despatching the chellan to the Honorary Secretary or the monthly accounts to the undersigned should be avoided.

Circular No. 5737—539, dated 19th January 1917.

To—All Drawers of Salary and Establishment Bills and Deputy Commissioners of Treasury Departments of Districts.

With reference to the changes in State Provident Fund Rules sanctioned by Government and published on pages 2 and 3 of the Gazette of 4th January 1917, the attention of all drawers of salary and establishment bills is invited to the following points:—

1. The new rates of subscriptions should be adopted beginning with the amounts payable in February 1917. The rate of salary for the purpose of calculation of monthly subscription, payable for the remainder of the current official year, under the revised rule, should be that drawn in respect of the 31st January 1917.
2. From 1917-18, onwards the subscription should be based on the salary in respect of the 30th June of the previous financial year. The monthly rate of subscription should be in whole rupees. The minimum subscription is 6¼% of salary where this amount is not a sum in whole rupees, the sum in whole rupees below that amount should be taken as the minimum.
3. In the case of persons whose pay is less than Rs. 10 the minimum rate of subscription is half-anna in the rupee, rounded to the nearest multiple of 4 annas below the calculated amount.
4. In cases where the monthly minimum rate payable under the rule is less than a rupee, the nearest multiple of annas four below the calculated amount, should be paid.
5. The monthly subscription, a depositor elects to pay for any financial year, should be taken at that which is paid at his instance from his claim for the preceding June and the rate thus elected cannot be altered later on in the year.
6. In the case of the current year the rate of subscription elected and paid in February 1917, cannot be altered during the remainder of the year.

The salaries of the marginally noted officers on Provincial Scales of Establishment are now being drawn on separate bills in Form No. Finl. 101A. and not on those on which the pay and allowances of the establishments—clerical and menial—working under them are drawn. Government have, in their Order No. Fl. 4521-70—G. F. 155-16-2, dated 14th February 1917, directed that this practice should be changed and that the salaries of these officers should, in future, be included and drawn in the regular establishment bills in Form, Finl. 19. The undersigned has the honor to request that this new procedure sanctioned by Government be brought into effect commencing with the bills for February 1917, presented for payment on or after 1st March 1917. According to the new procedure there should be but one bill prepared in Form No. Finl. 19 for each establishment concerned and it should include the pay and allowance of the officers noted above and also of the members of their establishments. Separate bills for the above officers in Form No. Finl. 101A. should not hereafter be cashed by Treasuries.

INSURANCE.

THE MYSORE STATE LIFE INSURANCE—FAMILY PENSION BRANCH.

Dated 15*th October* 1914.

As sanctioned in Government Order No. Fl. 4906—B. 33-09-6, dated 18th March 1911, a Family Pension Branch was started as an adjunct to the Mysore State Life Insurance Scheme under separate Rules and has been in operation from August 1911. All employees of the Government who are eligible for life insurance may secure substantial pensions to their parents, wife, children and certain other relations by paying additional monthly subscriptions. For example an employee whose present age is twenty-five years, may secure a life pension of Rs. 5 payable from the date of his death, to his wife whose present age is 18, by paying a monthly subscription of Rs. 1-7-9. Similarly a monthly pension of Rs. 5 payable from the date of death of the subscriber to the date on which his son attains his 21st year or his daughter attains her 18th year or marries, may be secured to a son or daughter whose present age is 5 years, by paying a monthly subscription of Re. 0-11-7.

As a concrete instance of the benefits of the fund, the following case may be mentioned. An officer joined the Family Pension Branch as a subscriber in August 1913, the monthly subscription payable by him being Rs. 17-10-10. He died in September 1914, having paid subscriptions to the extent of Rs. 230. The following pensions are payable to his nominees :—

Monthly. Mother Rs. 10, wife Rs. 20, both for life. Each of his 4 daughters Rs. 10, till they attain their 18th year or marry.

There are reasons to believe that the existence of this Branch of the State Life Insurance office and its benefits are not known to many Government employees. Every one interested is requested to obtain a copy of detailed rules by applying to the Secretary to the Mysore State Life Insurance Committee, Bangalore.

INSURANCE COMMITTEE.

COPY OF NOTICE.

The Government of His Highness the Maharaja of Mysore have been pleased to extend to non-official persons domiciled in the territories of Mysore, the Mysore State Life Insurance Scheme, which was hitherto confined to the State officials. 1. Whole Life Assurance.
2. Whole Life Assurance by limited payment.

EXCISE DEPARTMENT.

Notification No. Mis. C. 486-16, *dated 24th February* 1917.

Under clause (*e*) of Section 29 of the Mysore Excise Regulation V of 1901, and in virtue of the powers delegated to him under clause VIII of Government Notification No. 11287—Ex. F. 3-1901, dated 7th January 1902, the Excise Commissioner hereby directs that on and after 1st July 1917, dram measures of Cylindrical shape with hemispherical bottom shall be used in the sale of liquor in all the arrack shops throughout the State (including Bowringpet Taluk) in lieu of the present conical shaped copper dram cups.

2. These measures are made of nickel silver, under authority from Government, and stamped with the device "Gandeberunda" encircled by the words "Mysore Excise" in a scroll, the edges being milled and provided with a lip.

3. Each set consisting of a dram (or one fifty-first part of a gallon), half dram and quarter dram costs Rs. 2-4-0 and will be available for sale to the licensees in the Excise Range Offices. They will be supplied to them on production of a Treasury receipt in token of credit of the value thereon.

4. The conical-shaped copper dram measures as well as the Cylindrical aluminium dram measures now in use in the Bowringpet Taluk are hereby recalled from use with effect from 1st July 1917. They will after being crushed into a shapeless mass in the Range Office so as to be unfit for use again as such, be returned to the owners.

5. In measuring, all cups shall be filled up to the brim until the liquid flows out through the lip. When not in use, they shall be placed inverted in an enamelled dish.

6. Making pits on the tills and placing the cups therein with the top upwards is strictly prohibited.

7. Any attempt at rendering the capacity of the measures shorter, either by disfiguration or otherwise is strictly prohibited, and the use of any other kind of measures will be illegal and unauthorised.

8. Infraction of any of these conditions will render the licensee or his servant, as the case may be, both liable to the penalties provided in the arrack sale notification and to prosecution.

NOTIFICATION.

NOTICE OF SALE OF EXCISE AND OPIUM PRIVILEGES.

No. 26, dated 28th February 1917.

Notice is hereby given that the exclusive privilege of selling liquor, intoxicating drugs and opium in the several shops appointed for the purpose and published in the Schedule during the twelve months beginning 1st July 1917 and ending 30th June 1918, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorised by the Deputy Commissioners for the purpose, on the dates and at the Taluk or Sub-Taluk headquarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

Condition of Auction Sale.

II. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other reasonable amount as he may deem fit.

III. The shops will be put up to auction in the order in which they are notified in the Schedule unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the selling officer. The rentals and the consumption of the previous three years will be notified for the information of bidders.

Note 1.—The privilege of vending toddy in any Coffee Estate may be sold to the Planter for any fixed amount not less than Rs. 12 per shop per annum.

Note 2.—Toddy shops in alienated villages whose claims to the Excise revenue from toddy have been recognized or have not yet been settled shall invariably be sold separately, and the amounts connected therewith shall be shown in the accounts under a distinct head.

IV. Every shop should, as a rule, be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from him.

VI. No shops will be knocked down in the name of two or more persons unless they represent a duly recognised company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VII. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so. Village officers will not be allowed to bid for or to have any pecuniary interest in shops for the sale of intoxicants within the limits of their villages.

VIII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government on the advice of the Excise Commissioner for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

IX. In cases of dispute at the time of auction, the selling officer's decision shall be final; and if for any reason the highest bid is rejected, the next highest shall be taken or the shop resold at his discretion.

X. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

XI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit* which together with the initial deposit made under condition II, will make up one month's khist for each shop. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner, and the defaulter will be debarred from bidding again for the same or for any other shop. In the case of foreigners the inital deposit together with the further deposit may be raised equal to two months' khist. Successful bidders shall be granted proper receipts for the amount deposited by them.

XII. Persons to whom shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice, and they shall also deposit* such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition XIII *infra*.

XIII. If, on enquiry subsequent to sale, the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety, or sureties, residents of and possessing sufficient property in the Mysore State, to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XIV. As soon as the sales are over, the sale conducting officer shall forward a list of successful bidders with his remarks to the Deputy Commissioner for confirmation, without delay.

* Deposits may be in cash or oth approved security,

XV. On the failure of any person to make deposit under condition XII or to comply with the requisition under condition XIII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forefeited and the shop be resold or otherwise disposed of at the discretion of the Deputy Commissioner.

XVI. Re-sales effected under condition XV will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

XVII. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

XVIII. The deposit referred to in condition XII or condition XIII, as the case may be, will be taken as security for the due performance of the conditions of the license. It will be returned to the licensee after the expiry of the period of his lease and after adjustment from it of any dues payable by him to Government.

XIX. The licenses issued under the above clauses will contain the following general conditions common to all Excise and Opium licenses and the special conditions prescribed below for each particular kind:—

General Conditions applicable to all Excise and Opium Licenses.

The manufacturers of arrack and other country spirits as well as the licensees of Arrack Bonded Depots are prohibited from holding any interest in the retail vend of arrack or in the vend of other intoxicants and from employing any person who has such interest.

2. The limits within which sales and possession under any Excise or Opium licenses may be carried on will be specified by the Deputy Commissioner at the time of the grant of the license. The sale or possession (except subject to the rules applicable to unlicensed persons) of liquor, intoxicating drugs or opium outside those limits is prohibited except with the special permission of the Deputy Commissioner.

3. Sales must be conducted in a suitable building of which the whole or part must be entirely set aside for use as a depot or shop. If there are means of communications between the depot or shop and an adjoining dwelling house, they must be kept locked at night. In the case of arrack shops in Municipalities or towns having a population of 2,000 and over, the shop premises shall have no doors except into the main street; unless barred and protected by wire netting, no windows or other openings shall be allowed to the rear or at the ends of the building; there shall be no possible means of ingress or egress in any other direction; the bar at which the sale is held shall be opposite the entrance door, and so situated that all persons inside can be seen by any one passing to and from in the street, and shall not be more than four feet raised from the ground and no second room shall be used for sale, or be kept open for customers. The interior of the shop shall be sufficiently lighted by day and night and the premises shall be kept clean and in a sanitary condition. The shop shall not be used as a place of residence but vendors or care-takers may sleep in it at night, if necessary, to safeguard the stock.

4. Except in the case when two or more Foreign Liquor licenses or the ganja and the opium licenses in the same locality are held by one person, sales under each

license issued must be in different premises (Chemists and Druggists and Medical Practitioners excepted). The possession upon any licensed premises of any liquor, intoxicating drug or opium except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavouring liquor except in accordance with the terms of a compounding license is prohibited. But intoxicating preparations made from opium other than morphia or preparations for smoking may be prepared and sold in shops licensed for the sale of opium.

5. A signboard must be affixed to the front of each depot or shop showing the nature and number of the license under which sales are conducted there, the name of the licensee (and except in the case of Foreign Liquor or Special Liquors) the current rate of sale. These particulars must be legibly painted in the local vernacular. The license must be hung up in a conspicuous place within.

6. All liquor intoxicating drugs and opium sold or kept for sale shall be of good quality undiluted and unadulterated. Nor shall a blend of different kinds of liquors be made and sold under the designation of one of them. Nothing shall be added to them either to increase their intoxicating power or for any other purpose except the manufacture of intoxicating drugs in accordance with the terms of a license. All officers authorized to inspect depots and shops (*vide* condition 25 *infra*) are authorised to detain any liquor, intoxicating drug or opium found unfit for consumption or use, or which they may believe to have been tampered with, and the Excise Commissioner, Deputy Commissioners and District Excise Officers are empowered to destroy such as are found unfit for consumption or use.

7. The manufacture, sale or transport of liquor, intoxicating drugs or opium and the tapping or drawing of toddy in the case of palm trees by persons below the age of sixteen or by persons suffering from leprosy or any contagious disease and the employment of such persons in groves, shops or depots for the sale of the same are prohibited. The District Excise Officer will call for the names of all persons employed or proposed to be employed in depots, shops or groves and may forbid the sale of liquor or its manufacture or transport by any person whom he may disapprove.

8. No depot shall be opened before sunrise or kept open after 9 P.M., and no shops except those of toddy, shall be opened before 9 A.M., and kept open after 9 P.M., except under special authority. In the Cities of Bangalore and Mysore and in the Kolar Gold Fields, sales after 9 P.M. will be allowed in special cases under separate licenses and on payment of such fees as may be prescribed by the Excise Commissioner. Power is reserved to Deputy Commissioners on the report of the Police or for other sufficient recorded reasons, to order the closure of any particular shop either in towns or in the country at 8 P.M., or even at an earlier hour, if they consider such a course to be advisable in the interests of the public.

9. No drunkenness, disorder or gaming shall be permitted in depots or shops. Entertainments of any kind in depots or shops are also strictly forbidden.

10. No robbers or thieves or disorderly or riotous persons or prostitutes or soldiers or others known or believed to be deserters shall be harboured in depots and shops. Intimation of their resort thereto shall be given to the nearest Magistrate or Police Officer.

11. No person shall be harboured in any depot or shop during the night.

12. Depots and shops situated on or adjacent to the line of march must be closed, if the Deputy Commissioner so orders, while a Regiment or Detachment of European or Native soldiers is passing or is encamped in the vecinity. Deputy Commissioners or Revenue Assistant Commissoners shall have power also to close any shops temporarily in times of religious excitement or disturbance. Every depot and shop-keeper shall on his own motion close his depot or shop when there is riot or disturbance in the neighbourhood.

13. The Deputy Commissioners may order the transfer of depots and shops from one locality to another within the limits of the same town or village or the closure of the same. But no new shops shall be opened except with the previous sanction of the Excise Commissioner.

14. The right is reserved to the Deputy Commissioner to grant "Occasional licenses" for the sale of liquor, intoxicating drugs and opium, on the occurrence of

fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality or to the representatives of the renter. Their period shall not exceed ten days and the fee to be paid therefor shall be fixed at the Deputy Commissioner's discretion unless he decides to sell the same by public auction.

15. No liquor, intoxicating drug or opium shall be sold or given—

(*a*) except at shops specially approved by the General Officer Commanding the Division (or independent Brigade) or the Officer Commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the license—

(1) to sailors of the Royal Navy, soldiers and the members of their families, or,

(2) to any other person living in barracks;

(2) child under 16 years of age;

(3) insane person; or

(4) person known or believed to be intoxicated.

16. No privilege of supply or vend shall be sold, transferred or sub-rented without the Deputy Commissioner's previous permission, which will only be given if the applicant is prepared to forfeit his deposit already made except in cases where the Deputy Commissioner sees reason not to enforce the penalty. Nor, if the Deputy Commissioner so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

17. No holder of any Excise or Opium License will be allowed, without the written permission of the Excise Commissioner to possess or continue to possess any interest direct or indirect in any Excise or Opium License outside the Territories of Mysore, or in the Civil and Military Station of Bangalore.

18. Depots and shops must be kept open unless their temporary or permanent closure is authorised under condition 12 or 13 *supra* and such supply of liquor, intoxicating drugs or opium as the Deputy Commissioner may consider sufficient to meet local requirements must be maintained therein. The details of such supply will be published in the *Mysore Gazette*. Shops not opened by 1st July or on such dates to be fixed by the Deputy Commissioner in the case of bagani toddy shops shall be liable to be re-sold at the risk of the licensees.

19. No liquor, intoxicating drug or opium shall be sold in shops except for cash. The licensees shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shop-keepers or firms of standing and respectabilty dealing in Foreign and Special Liquors for consumption off the premises.

20. No liquor, intoxicating drug or opium shall be sold below the minimum prices prescribed for the sale of the same as noted in the foot note.*

The account and permit books may be obtained from the local Excise Officers on production of receipts for the payment of the cost price into a Government Treasury. Permits for liquor, intoxicating drugs or opium received must be carefully filed. The accounts and permits shall immediately after the expiry of the lease, be handed over to the Range Inspectors who shall preserve them for a further period of one year before they are destroyed.

23. Such returns and information as may be required from time to time by any officer not below the rank of an Excise Assistant Inspector shall be furnished by holders of licenses without delay.

24. Only such weights and measures as may from time to time be prescribed by the Excise Commissioner shall be possessed or used on any licensed premises. The possession or use of weights or measures that are incorrect on any licensed premises will render the licensee liable to punishment. In the case of toddy shops, earthen or other measures may be used provided they are of the same capacity as those of the prescribed measures which must however be maintained in all licensed premises. There is no objection however to use a quarter seer toddy measure in case of necessity.

25. Any officer of the Excise Department of rank not lower than Sub-Inspector is authorised to inspect licensed shops and depots. These officers are empowered to enter and examine the premises, to test weights and measures in use and the liquor, intoxicating drugs and opium in the possession of licensees, and to call for and check the accounts kept in the shop or depot. Police officers will also make an inspection when it comes within the scope of their duty.

26. An inspection note-book, within the pages numbered consecutively, for inspecting officers to enter their remarks in shall be maintained, and always kept in the shop and be handed over to the Excise Inspector in charge of the range or any officer authorised by him to receive it on a receipt being given therefor, when it is wanted by such officers for the purposes of an enquiry under the Excise Regulation or the rules framed thereunder.

27. Shops will be liable to be resold for failure to pay khist only after the 20th of the month. The service of notice on the defaulting licensee apprising him of the fact of resale of his shop or shops will be dispensed with under this rule. The licensee of a jatra shop shall pay the rent thereof in full before the jatra begins.

NOTE.—In the malnad and semi-malnad taluks, the Deputy Commissioners may permit patels of villages who are not themselves licensees to receive payments not exceeding Rs. 50 from any individual at a time.

In the case of arrack, toddy and drug shops this power will be exercised by Amildars and in other cases by the Deputy Commissioners.

31. In the event of the aforesaid arrack, toddy or drug licensee failing to pay his khist, the Amildar with the sanction of the Deputy Commissioner by record in writing and after suspending the license shall re-sell after the 20th of the month for which the khist is due or on any subsequent date or dates for reasons which will be recorded in writing the privilege of sale with effect from the date of issue of license to the new purchaser or the privilege may be otherwise disposed of subject to the Deputy Commissioner's confirmation. All losses on account of suspension and re-sale or other disposal of the privilege shall be borne by the defaulting licensee, but he shall have no right to gain, if any, which accrues. The whole of the deposit, if any, made at the commencement of the lease will be liable to forfeiture at the discretion of the Deputy Commissioner who may either direct such forfeiture or appropriate the same towards the arrears due by the defaulter as well as towards the deficits if any arising from the re-sale or other disposal of the privilege. The officer who has power to suspend the license may, however, at his discretion, allow sales to continue pending re-sale or other disposal of the privilege.

35. Licensees are bound to report to the Deputy Commissioner all instances which come to their knowledge of persons employed by them in the manufacture, carriage or sale of liquor, opium and intoxicating drugs, committing breaches of the Excise or Opium Laws or of engagements entered into by them and to comply with the Deputy Commissioner's orders respecting the continued employment of such persons. No persons who have been convicted under the Indian Penal Code shall be employed in the carriage or sale of liquor, opium and intoxicating drugs without the Deputy Commissioner's previous permission.

36. Pecuniary dealings by licensees of any kind whatever with officials of the Excise Department are absolutely prohibited.

37. With the sanction of the Excise Commissioner, any license shall be revocable by the Deputy Commissioner at his discretion on giving the licensee fifteen days' notice of such revocation, in which case a proportionate part of the fee paid will be refunded.

38. All licensees shall be bound by any additional general rules that may be prescribed under the Excise or Opium Laws and if so required by the Deputy Commissioner or any officer authorized by him, to deliver up their licenses for amendment or for the issue of fresh ones.

The licensee shall be bound to take over any liquor or drug which may remain in the shop as stock in hand belonging to the outgoing licensee, whether the privilege is purchased at a re-sale or at an original sale, at the time when the privilege is made over to the former, paying the latter such compensation for the same as may be fixed by the Deputy Commissioner.

Similarly, in places where separate shops are not licensed for the sale of sugar-cane jaggory arrack, of 30° U.P. the arrack shop-keeper may be permitted to sell jaggory arrack in reputed pint or quart bottles. This privilege is however liable to be withdrawn at any time during the lease and it shall not be open to the licensee to claim any compensation on this account. But in places where both arrack and special liquor shops exist the privilege of selling bottled jaggory arrack will be disposed of by the Deputy Commissioner by getting both the licensees to bid.

should provide themselves with jars or other suitable receptacles which can be effectively closed and sealed and also arrange to get the consignments properly sealed before delivery from the Bonded Depots.

(3) The licensee shall pay the above duty, price and other charges into a Taluk Treasury or to a special shroff, if any, appointed on this behalf at the cost of Government, and located at the Taluk Cutcherry to receive such duty, price and other charges *daily* including Sundays and holidays or to such other officer as may be appointed by the Deputy Commissioner, and shall obtain a receipt in the prescribed printed form. He shall also issue sample bottles with the consignments in such manner as may be ordered by the Excise Commissioner.

(4) The licensee shall sell palmyra jaggory and molasses arrack of 30° U.P. to the public at not less than Rs. 7-7-0, per gallon, *i.e.*, at annas two and pies four per dram (which is equal to 1-51st part of a gallon) and sugar-cane jaggory arrack at not less than Rs. 1-10-0 per reputed quart bottle or at such other price as may be fixed from time to time. (8) "Arrack shop-keepers may be required by the Health Department to keep a pail of water in their shops for the purpose of washing tumblers used by consumers. Suitable arrangements shall, in this case, be made so that the vendor does not himself become the cleaner of such tumblers. A pail of water shall be kept at some distance from the counter or bar and a separate individual told off for the purpose of washing the vessels used for drinking."

(9) The licensee of every shop in the Cities of Bangalore and Mysore shall pay registration fee at the rate of Rupees (180) one hundred and eighty per annum in advance for the period of the license for his shop and he shall pay a surcharge of (4) four annas per gallon on all arrack sold by him in excess of 55 gallons a month in each such shop.

XXI. Conditions applicable to Toddy Licenses.

(1) The exclusive privilege conferred by the license extends to the sale of Date, Palmyra, Cocoanut, Bagani and Dadasal toddy. But in tracts where both Date and Bagani toddy shops exist, the licensee of the Date toddy shop shall not tap Bagani trees and the licensee of the Bagani toddy shop shall not tap Date trees; but both licensees can tap any of the other palm trees named above.

(2) For the supply of toddy to his shops the licensee shall have the privilege of obtaining, subject to tree-tax rules, toddy-yielding trees in the groves assigned to his shops or groups of shops, and he shall be at liberty to manufacture toddy from the trees in private lands under private arrangements between himself and the owners of such lands. If the Deputy Commissioner is satisfied that the said (hiduvali) trees should not be tapped, he is competent to withdraw the tree-tapping license and the licensee affected thereby shall not claim any damages therefor. In the case of trees on Government unoccupied lands included in the date reserve list and reserved for future use the previous sanction of the Excise Commissioner should be obtained before accepting applications for licensing them. He may purchase toddy from any licensed toddy shop-keeper on application to the Inspector, who will grant the required permits on proof of the necessary for the same in the following cases :—

(*a*) Where there is an unusual demand for toddy in a shop in consequence of a festival or for any other valid reason to be recorded by the Range Inspector.

(*b*) Where trees have ceased to yield during the last few days of a lease.

(*c*) Where toddy drawn by one shop-keeper at the end of the lease cannot reach the shop before the first few days of the new lease.

(3) No toddy except the produce of trees licensed for that shop and covered by a transport permit shall be transported to or kept in the shop or offered for sale or sold.

(4) The licensee shall be responsible to Government for all payments of instalments of fees due on account of tree-tapping licenses granted on his application in his own name or in the names of his nominees under the conditions set forth therein and in the rules relating thereto.

(5) If any instalments are not paid within the time, the tapping license shall be liable to be cancelled or suspended under Section 26 of the Excise Regulation. Fresh applications for trees shall not be accepted from licensees until the arrears of tree-tax relating to all their shops are paid up.

(6) In case of default, the Amildar will order the suspension of the tapping license till the arrears are paid up; and if, after receiving notice of such suspension, the defaulter or his agent or employee continues to tap the trees, any or all of them will be punished departmentally or be prosecuted for illicit tapping.

(7) Tree-rent at Re. 0-4-3 per tree shall be paid at the time of application for a tapping license for all Government trees applied for being tapped for the supply of toddy shops whether within or outside the Mysore Territories or in the Civil and Military Station, Bangalore. Railway cess on tree-rent will be levied in addition in the districts of Tumkur and Chitaldrug and Kolar as stated in the foot notes to General Condition 27 *supra*.

NOTE.—No trees on Government occupied land can be tapped without the consent of the owner. The present arrangements as regards trees in alienated land will hold good, subject of course to the levy by Government of tree-tax.

(8) The tapping of date trees is subject to the following conditions :—

(*a*) Date trees shall be tapped only by professional men.

(*b*) Trees tapped one year shall not ordinarily be tapped the next year.

(c) Trees shall not be over-tapped or over-worked.

(d) In no date trees shall the initial incision be made at any point within four feet from the ground or eighteen inches from the top of any other incision except in places where permission is specially given by the Deputy Commissioner.

(e) The depth and width of the incision shall not exceed one-third of the diameter of the tree, and the length of it shall not exceed eight inches.

(f) The central spike-like clusters shall not be touched. Of the lateral leaves not less than two layers of leaves shall be left, reckoning from the layers immediately next to the central clusters down to the top line of the incision; or in other words, above the top line of the incision not less than eight leaves shall be left excluding the central spike-like clusters, on that face of the tree on which the incision is made.

(g) The licensee shall not cut or injure, or permit to be cut or injured the trees licensed to him or any other trees.

(h) The licensee or his employer will be liable to pay a fine of two rupees for each tree, which may die from over-tapping or careless tapping, either during the lease or within six months after its expiration. The fine will be levied on trees found dead at the close of every quarter. He will be liable to pay a similar fine for every tree which he prepares for tapping if it dies in consequence of such preparation before he taps it.

(i) The licensee will not be entitled to compensation for any trees withdrawn or taken up for public purposes or for any trees standing on the banks or beds of irrigation works under the control of the Public Works Department which that department may require to cut down or strip of their leaves or branches.

(j) When the licensee makes default and his shop is re-sold, or otherwise disposed of his rights to and claims on all toddy-yielding trees for the purpose of tapping cease and determine.

(9) The licensee shall not interfere with the persons holding license for cutting date leaves for mat-making, rope making, basket making, or for agricultural or other purposes when they make use of the trees assigned for such purposes, and not reserved for tapping.

(10) Deputy Commissioners may, subject to the orders of the Excise Commissioner from time to time, prescribe the minimum number of trees for which license will be granted, and the minimum number to be entered in a single application. They may also direct that the trees situated in one village only shall be included in an application.

(11) The distillation of spirit from toddy is absolutely prohibited.

(12) If the licensee of a group of shops wishes to establish a depot for depositing toddy required for distribution to his shops, he shall obtain a license for it in the prescribed form. The toddy intended for each shop shall be distributed in accordance with the permits granted for transport from the depot to the shop. The permits issued with the toddy transported shall be subject to examination and check by the officers authorised in this behalf.

(13) Tree-foot sales or sales in the open or the disposal of toddy in any other manner unauthorised by the rules, are strictly prohibited. Provided, however, that in Bagani tracts, the licensee who has purchased the right of vend of Bagani toddy, may permit the tapping of Bagani trees for domestic consumption as well as for sale within the limits of the village purchased by him.

(14) The licensee or his vendors shall not sell to any person more than three measuring seers of toddy to be consumed by the person at one time in the shop, nor shall it be sold to the public at less than the

retail rates fixed by Government and mentioned in the schedule. Toddy can be removed without a permit for consumption up to the limit of one imperial gallon or four seers.

(15) In every grove where toddy-yielding trees are tapped, a ladder shall always be kept by the tap-man to enable Excise Officers to examine spathes or incisions as the case may be.

(16) The licensee shall pay the usual mohatarfa tax on carts used for conveying toddy but such carts shall not be impressed for Government work.

(17) The following rules shall regulate the issue, etc., of licenses under Section 12 of the Mysore Excise Regulation, V of 1901, for the tapping of toddy producing trees and for the drawing of toddy therefrom :—

1. Tree-tapping licenses in the prescribed form shall be issued on the application—

(*a*) of licensed toddy shop-keepers or of their duly authorised agents;

(*b*) of toddy shop-keepers or renters in the Madras Presidency; and

(*c*) of tree-owners in the coffee estates, hittals and khans in malnad free of the prescribed tree-tax for drawing toddy for *bona fide* domestic purposes as per Government Order No. 11897-906—Excise 485, dated 28th June 1898, for such number of trees as may be found necessary by the Excise Commissioner.

The licenses may be issued in the name of the applicant himself or of his nominee.

2. Application for the grant of tree-tapping licenses must be made in the prescribed form to the Excise Inspector of the Range concerned through the local Treasury. Forms may be obtained from him or the Assistant Inspectors under him. Applicants must first pay the first instalment of tree-tax together with the tree-rent on Government trees due on account of the trees which they desire to tap.

3. The tree-tax on toddy produced by trees in the Madras Presidency, but consumed in the Mysore State, will be credited to the Mysore Government. The rate of tree-tax to be paid in such cases will invariably be the highest in force on either side of the frontier. Tree-tax on trees in the Madras Presidency for which tapping licenses are about to be taken out by Mysore shop-keepers, must be paid in one instalment to the Amildar of the taluk concerned in the Mysore State, who will grant a receipt in the prescribed challan form and certify at the foot that the applicant is a person entitled to take out tree-tapping licenses. The applicant will then make his application to British authorities in accordance with the Madras Government. Tree-tapping Rules; and will obtain a transport permit from the Inspector concerned in the Mysore State, for the transport of the toddy drawn from the frontier to the shop or depot for which it is intended, after having complied with all requirements of the Madras Government Rules. The British and the Mysore Governments reserve to themselves the right to impose in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed being payable by British and Mysore Licensees alike. The arrangements agreed to by the Madras and Mysore Governments with regard to the issue of the licenses for tapping trees in either territory on the application of shop-keepers in the other do not prevent the reservation of trees in any specified area, in the Madras Presidency or in Mysore State, with a view to afford rest thereto or for other sufficient reason and the mere payment of tree-tax into the British or the Mysore Treasury does not entitle an applicant to tapping licenses for trees so reserved.

4. Applications for tree-tapping licenses, for trees in occupied or alienated lands, should be countersigned by the owner of the trees intended to be marked, in token of his consent to the trees being tapped and to holding himself liable for the tree-tax in case the license-holder fails to pay it and such countersignature shall, in the case of illiterate owners, be attested by the patel or shanbhog of the village in which the trees stand. Applications for tree-tapping licenses for trees in the State Forest and plantations should be countersigned by the Forest Range Officer in token of his consent.

5. On receipt of an application, the Inspector will at once take steps for the marking of the tree by an officer superior in rank to a Sub-Inspector, or or in special cases by an officer not inferior in rank to a Sub-Inspector and for the timely issue of the license and transport permits as detailed in the T. T. Rules. Applicants for date trees shall get the requisite space on their stems prepared and point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so, after reasonable notice, the tree-tax and tree-rent paid by them shall be liable to be forfeited at the Deputy Commissioner's discretion.

6. No trees shall be tapped, nor shall toddy be drawn from any toddy tree, nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer. But the removal of leaves for the purpose of making incisions and the preparation of the spathes or spaces for the drawing of toddy is permitted as soon as the application in the prescribed form has been delivered to the Treasury concerned.

7. For all toddy-yielding trees, tree-tapping licenses shall be annual, from the 1st July to the 30th June next irrespective of the time when the application for a tree-tapping license is made. For the convenience of the licensee, the applications for tree-tapping licenses will be received, trees will be marked, and licenses will be issued during the fifteen days, and parts may be attached to such marked trees during the eight days, immediately preceding the period to which they relate to take effect from the commencement of such period. Provided that no toddy shall be removed from the trees except during the currency of such license.

8. Between sunset and sunrise no toddy shall be drawn or kept by a person holding a license under these rules in the garden or field in which stand the trees which he is licensed to tap. The Excise Commissioner may relax the restriction in any local area on sufficient cause being shown. This will not apply to toddy contained in the pots attached to the spathes of the trees.

9. The following shall be the fees payable on account of each tree for the tapping of which license is applied for :—

Description of trees.	*Rates of tree-tax per tree per annum.*		
	Rs.	a.	p.

The Deputy Commissioners, Treasury Department, of all Districts.

No. Mily. 315-22, *dated* 1*st November* 1915.

The undersigned has the honor to authorise all District and Taluk Treasuries in the State to receive subscriptions for the Mysore Imperial Service Lancers War Fund and to credit the amounts so received under a new head to be opened in the treasury accounts under Debt heads immediately below that for the Indian Imperial Relief Fund.

2. For the convenience of subscribers and also to avoid numerous small payments into treasuries, responsible persons will be authorised by the Secretary to the Fund or by Deputy Commissioners on his behalf to receive subscriptions and pay them into the treasury. No one who has not obtained written permission from a competent authority should collect subscriptions. Authorised collectors will grant receipts to each subscriber in the special form prescribed for the purpose. Each collector will be supplied with a number of counterfoil receipt books by the Deputy Commissioner of his district on application. Both the foil and the counterfoil of the form should be carefully filled up. The grant of receipt on loose paper or any other form by collectors is strictly prohibited.

3. At the end of each month or whenever the collections exceed Rs. 50, the amount in hand should be sent to the treasury by the collector with a chellan. Special chellan forms in quadruplicate will be supplied to collectors for the purpose by Deputy Commissioners. The treasury should check the amount of the chellan with the amounts noted in the counterfoils of the receipt book covered by the chellan. It should also see that the treasury number of the chellan is correctly noted in the counterfoils and that in the chellan the numbers of the receipts covered by the chellan are noted.

4. In respect of payments tendered directly at District and Taluk Treasuries, the Treasury Officer will act as collector. He will give a receipt to the party in the prescribed form and transfer the collections to treasury balance at intervals in the manner indicated above.

5. A stock of counterfoil receipt books and quadruplicate chellan books is kept in the office of the undersigned and will be supplied on indent to Deputy Commissioners. A stock account of receipt books and chellan books should be kept in the office of Deputy Commissioners. Collectors should preserve the counterfoils of used up receipt books and chellan books to be returned when called for.

6. The treasury will, after crediting the amount in the accounts, send the quadruplicate copy of the chellan immediately by the day's post to the Honorary Secretary to the Fund. The triplicates will be collected and sent to the undersigned immediately after the close of the month with a schedule of receipts on behalf of the Fund. The duplicate copy will be filed in the treasury.

7. It is particularly requested that all delay either in despatching the chellan to the Honorary Secretary or the monthly accounts to the undersigned should be avoided.

Circular No. 5737—539, dated 19th January 1917.

To—All Drawers of Salary and Establishment Bills and Deputy Commissioners of Treasury Departments of Districts.

With reference to the changes in State Provident Fund Rules sanctioned by Government and published on pages 2 and 3 of the Gazette of 4th January 1917, the attention of all drawers of salary and establishment bills is invited to the following points:—

1. The new rates of subscriptions should be adopted beginning with the amounts payable in February 1917. The rate of salary for the purpose of calculation of monthly subscription, payable for the remainder of the current official year, under the revised rule, should be that drawn in respect of the 31st January 1917.

2. From 1917-18, onwards the subscription should be based on the salary in respect of the 30th June of the previous financial year. The monthly rate of subscription should be in whole rupees. The minimum subscription is $6\frac{1}{4}$% of salary where this amount is not a sum in whole rupees, the sum in whole rupees below that amount should be taken as the minimum.

3. In the case of persons whose pay is less than Rs. 10 the minimum rate of subscription is half-anna in the rupee, rounded to the nearest multiple of 4 annas below the calculated amount.

4. In cases where the monthly minimum rate payable under the rule is less than a rupee, the nearest multiple of annas four below the calculated amount, should be paid.

5. The monthly subscription, a depositor elects to pay for any financial year, should be taken at that which is paid at his instance from his claim for the preceding June and the rate thus elected cannot be altered later on in the year.

6. In the case of the current year the rate of subscription elected and paid in February 1917, cannot be altered during the remainder of the year.

To—All Drawers of Bills in Form No. Fin. 101 A. and Deputy Commissioners, Treasury Departments, of Districts.

The salaries of the marginally noted officers on Provincial Scales of Establishment are now being drawn on separate bills in Form No. Finl. 101A. and not on those on which the pay and allowances of the establishments—clerical and menial—working under them are drawn. Government have, in their Order No. Fl. 4521-70—G. F. 155-16-2, dated 14th February 1917, directed that this practice should be changed and that the salaries of these officers should, in future, be included and drawn in the regular establishment bills in Form, Finl. 19. The undersigned has the honor to request that this new procedure sanctioned by Government be brought into effect commencing with the bills for February 1917, presented for payment on or after 1st March 1917. According to the new procedure there should be but one bill prepared in Form No. Finl. 19 for each establishment concerned and it should include the pay and allowance of the officers noted above and also of the members of their establishments. Separate bills for the above officers in Form No. Finl. 101A. should not hereafter be cashed by Treasuries.

To—The Deputy Commissioners of Districts (Treasury and other Departments), and Heads of Departments.

The Government have ordered that the system of pre-audit of travelling allowance bills be discontinued. The new procedure of presenting travelling allowance bills to the treasury for encashment without audit by this office will come into force from 1st April 1917.

2. The new procedure does not apply to the travelling allowance bills of Gazetted Officers and Establishments at Bangalore which will continue to be subject to pre-audit and paid by cheques issued from this office as soon as possible after submission of the bills.

3. All travelling allowance bills for the months beginning with March 1917, will be cashed at the treasury without pre-audit by this office but those for any previous period should be submitted to this office for pre-audit. 4. Travelling allowance bills of Gazetted Officers and Establishments can be presented for encashment only at the treasuries which cash their salary and pay bills and not at any other treasury.

INSURANCE.

THE MYSORE STATE LIFE INSURANCE—FAMILY PENSION BRANCH.

Dated 15th October 1914.

As sanctioned in Government Order No. Fl. 4906—B. 33-09-6, dated 18th March 1911, a Family Pension Branch was started as an adjunct to the Mysore State Life Insurance Scheme under separate Rules and has been in operation from August 1911. All employees of the Government who are eligible for life insurance may secure substantial pensions to their parents, wife, children and certain other relations by paying additional monthly subscriptions. For example an employee whose present age is twenty-five years, may secure a life pension of Rs. 5 payable from the date of his death, to his wife whose present age is 18, by paying a monthly subscription of Rs. 1-7-9. Similarly a monthly pension of Rs. 5 payable from the date of death of the subscriber to the date on which his son attains his 21st year or his daughter attains her 18th year or marries, may be secured to a son or daughter whose present age is 5 years, by paying a monthly subscription of Re. 0-11-7.

As a concrete instance of the benefits of the fund, the following case may be mentioned. An officer joined the Family Pension Branch as a subscriber in August 1913, the monthly subscription payable by him being Rs 17-10-10. He died in September 1914, having paid subscriptions to the extent of Rs. 230. The following pensions are payable to his nominees :—

Monthly. Mother Rs. 10, wife Rs. 20, both for life. Each of his 4 daughters Rs. 10, till they attain their 18th year or marry.

There are reasons to believe that the existence of this Branch of the State Life Insurance office and its benefits are not known to many Government employees. Every one interested is requested to obtain a copy of detailed rules by applying to the Secretary to the Mysore State Life Insurance Committee, Bangalore.

INSURANCE COMMITTEE.

EXCISE DEPARTMENT.

Notification No. Mis. C. 486-16, dated 24th February 1917.

Under clause (*e*) of Section 29 of the Mysore Excise Regulation V of 1901, and in virtue of the powers delegated to him under clause VIII of Government Notification No. 11287—Ex. F. 3-1901, dated 7th January 1902, the Excise Commissioner hereby directs that on and after 1st July 1917, dram measures of Cylindrical shape with hemispherical bottom shall be used in the sale of liquor in all the arrack shops throughout the State (including Bowringpet Taluk) in lieu of the present conical-shaped copper dram cups.

2. These measures are made of nickel silver, under authority from Government, and stamped with the device "Gandeberunda" encircled by the words "Mysore Excise" in a scroll, the edges being milled and provided with a lip.

3. Each set consisting of a dram (or one fifty-first part of a gallon), half dram and quarter dram costs Rs. 2-4-0 and will be available for sale to the licensees in the Excise Range Offices. They will be supplied to them on production of a Treasury receipt in token of credit of the value thereon.

4. The conical-shaped copper dram measures as well as the Cylindrical aluminium dram measures now in use in the Bowringpet Taluk are hereby recalled from use with effect from 1st July 1917. They will after being crushed into a shapeless mass in the Range Office so as to be unfit for use again as such, be returned to the owners.

5. In measuring, all cups shall be filled up to the brim until the liquid flows out through the lip. When not in use, they shall be placed inverted in an enamelled dish.

6. Making pits on the tills and placing the cups therein with the top upwards is strictly prohibited.

7. Any attempt at rendering the capacity of the measures shorter, either by disfiguration or otherwise is strictly prohibited, and the use of any other kind of measures will be illegal and unauthorised.

8. Infraction of any of these conditions will render the licensee or his servant, as the case may be, both liable to the penalties provided in the arrack sale notification and to prosecution.

NOTIFICATION.

NOTICE OF SALE OF EXCISE AND OPIUM PRIVILEGES.

No. 26, dated 28th February 1917.

Notice is hereby given that the exclusive privilege of selling liquor, intoxicating drugs and opium in the several shops appointed for the purpose and published in the Schedule during the twelve months beginning 1st July 1917 and ending 30th June 1918, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorised by the Deputy Commissioners for the purpose, on the dates and at the Taluk or Sub-Taluk headquarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

Condition of Auction Sale.

II. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other reasonable amount as he may deem fit.

III. The shops will be put up to auction in the order in which they are notified in the Schedule unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the selling officer. The rentals and the consumption of the previous three years will be notified for the information of bidders.

Note 1.—The privilege of vending toddy in any Coffee Estate may be sold to the Planter for any fixed amount not less than Rs. 12 per shop per annum.

Note 2.—Toddy shops in alienated villages whose claims to the Excise revenue from toddy have been recognized or have not yet been settled shall invariably be sold separately, and the amounts connected therewith shall be shown in the accounts under a distinct head.

IV. Every shop should, as a rule, be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from him.

VI. No shops will be knocked down in the name of two or more persons unless they represent a duly recognised company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VII. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so. Village officers will not be allowed to bid for or to have any pecuniary interest in shops for the sale of intoxicants within the limits of their villages.

VIII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government on the advice of the Excise Commissioner for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

IX. In cases of dispute at the time of auction, the selling officer's decision shall be final; and if for any reason the highest bid is rejected, the next highest shall be taken or the shop resold at his discretion.

X. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

XI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit* which together with the initial deposit made under condition II, will make up one month's khist for each shop. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner, and the defaulter will be debarred from bidding again for the same or for any other shop. In the case of foreigners the inital deposit together with the further deposit may be raised equal to two months' khist. Successful bidders shall be granted proper receipts for the amount deposited by them.

XII. Persons to whom shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice, and they shall also deposit* such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition XIII *infra*.

XIII. If, on enquiry subsequent to sale, the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety, or sureties, residents of and possessing sufficient property in the Mysore State, to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XIV. As soon as the sales are over, the sale conducting officer shall forward a list of successful bidders with his remarks to the Deputy Commissioner for confirmation, without delay.

* Deposits may be in cash or other approved security,

XV. On the failure of any person to make deposit under condition XII or to comply with the requisition under condition XIII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forefeited and the shop be resold or otherwise disposed of at the discretion of the Deputy Commissioner.

XVI. Re-sales effected under condition XV will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

XVII. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

XVIII. The deposit referred to in condition XII or condition XIII, as the case may be, will be taken as security for the due performance of the conditions of the license. It will be returned to the licensee after the expiry of the period of his lease and after adjustment from it of any dues payable by him to Government.

XIX. The licenses issued under the above clauses will contain the following general conditions common to all Excise and Opium licenses and the special conditions prescribed below for each particular kind:—

General Conditions applicable to all Excise and Opium Licenses.

The manufacturers of arrack and other country spirits as well as the licensees of Arrack Bonded Depots are prohibited from holding any interest in the retail vend of arrack or in the vend of other intoxicants and from employing any person who has such interest.

2. The limits within which sales and possession under any Excise or Opium licenses may be carried on will be specified by the Deputy Commissioner at the time of the grant of the license. The sale or possession (except subject to the rules applicable to unlicensed persons) of liquor, intoxicating drugs or opium outside those limits is prohibited except with the special permission of the Deputy Commissioner.

3. Sales must be conducted in a suitable building of which the whole or part must be entirely set aside for use as a depot or shop. If there are means of communications between the depot or shop and an adjoining dwelling house, they must be kept locked at night. In the case of arrack shops in Municipalities or towns having a population of 2,000 and over, the shop premises shall have no doors except into the main street; unless barred and protected by wire netting, no windows or other openings shall be allowed to the rear or at the ends of the building; there shall be no possible means of ingress or egress in any other direction; the bar at which the sale is held shall be opposite the entrance door and so situated that all persons inside can be seen by any one passing to and from in the street, and shall not be more than four feet raised from the ground and no second room shall be used for sale, or be kept open for customers. The interior of the shop shall be sufficiently lighted by day and night and the premises shall be kept clean and in a sanitary condition. The shop shall not be used as a place of residence but vendors or care-takers may sleep in it at night, if necessary, to safeguard the stock.

4. Except in the case when two or more Foreign Liquor licenses or the ganja and the opium licenses in the same locality are held by one person, sales under each

license issued must be in different premises (Chemists and Druggists and Medical Practitioners excepted). The possession upon any licensed premises of any liquor, intoxicating drug or opium except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavouring liquor except in accordance with the terms of a compounding license is prohibited. But intoxicating preparations made from opium other than morphia or preparations for smoking may be prepared and sold in shops licensed for the sale of opium.

5. A signboard must be affixed to the front of each depot or shop showing the nature and number of the license under which sales are conducted there, the name of the licensee (and except in the case of Foreign Liquor or Special Liquors) the current rate of sale. These particulars must be legibly painted in the local vernacular. The license must be hung up in a conspicuous place within.

6. All liquor intoxicating drugs and opium sold or kept for sale shall be of good quality undiluted and unadulterated. Nor shall a blend of different kinds of liquors be made and sold under the designation of one of them. All officers authorized to inspect depots and shops (*vide* condition 25 *infra*) are authorised to detain any liquor, intoxicating drug or opium found unfit for consumption or use, or which they may believe to have been tampered with, and the Excise Commissioner, Deputy Commissioners and District Excise Officers are empowered to destroy such as are found unfit for consumption or use.

7. The manufacture, sale or transport of liquor, intoxicating drugs or opium and the tapping or drawing of toddy in the case of palm trees by persons below the age of sixteen or by persons suffering from leprosy or any contagious disease and the employment of such persons in groves, shops or depots for the sale of the same are prohibited. The District Excise Officer may call for the names of all persons employed or proposed to be employed in depots, shops or groves and may forbid the sale of liquor or its manufacture or transport by any person whom he may disapprove.

8. No depot shall be opened before sunrise or kept open after 9 P.M., and no shops except those of toddy, shall be opened before 9 A.M., and kept open after 9 P.M., except under special authority. In the Cities of Bangalore and Mysore and in the Kolar Gold Fields, sales after 9 P.M. will be allowed in special cases under separate licenses and on payment of such fees as may be prescribed by the Excise Commissioner. Power is reserved to Deputy Commissioners on the report of the Police or for other sufficient recorded reasons, to order the closure of any particular shop either in towns or in the country at 8 P.M., or even at an earlier hour, if they consider such a course to be advisable in the interests of the public.

9. No drunkenness, disorder or gaming shall be permitted in depots or shops. Entertainments of any kind in depots or shops are also strictly forbidden.

10. No robbers or thieves or disorderly or riotous persons or prostitutes or soldiers or others known or believed to be deserters shall be harboured in depots and shops. Intimation of their resort thereto shall be given to the nearest Magistrate or Police Officer.

11. No person shall be harboured in any depot or shop during the night.

12. Depots and shops situated on or adjacent to the line of march must be closed, if the Deputy Commissioner so orders, while a Regiment or Detachment of European or Native soldiers is passing or is encamped in the vecinity. Deputy Commissioners or Revenue Assistant Commissoners shall have power also to close any shops temporarily in times of religious excitement or disturbance. Every depot and shop-keeper shall on his own motion close his depot or shop when there is riot or disturbance in the neighbourhood.

13. The Deputy Commissioners may order the transfer of depots and shops from one locality to another within the limits of the same town or village or the closure of the same. But no new shops shall be opened except with the previous sanction of the Excise Commissioner.

14. The right is reserved to the Deputy Commissioner to grant "Occasional licenses" for the sale of liquor, intoxicating drugs and opium, on the occurrence of

fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality or to the representatives of the renter. Their period shall not exceed ten days and the fee to be paid therefor shall be fixed at the Deputy Commissioner's discretion unless he decides to sell the same by public auction.

15. No liquor, intoxicating drug or opium shall be sold or given—

(*a*) except at shops specially approved by the General Officer Commanding the Division (or independent Brigade) or the Officer Commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the license—

16. No privilege of supply or vend shall be sold, transferred or sub-rented without the Deputy Commissioner's previous permission, which will only be given if the applicant is prepared to forfeit his deposit already made except in cases where the Deputy Commissioner sees reason not to enforce the penalty. Nor, if the Deputy Commissioner so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

17. No holder of any Excise or Opium License will be allowed, without the written permission of the Excise Commissioner to possess or continue to possess any interest direct or indirect in any Excise or Opium License outside the Territories of Mysore, or in the Civil and Military Station of Bangalore.

18. Depots and shops must be kept open unless their temporary or permanent closure is authorised under condition 12 or 13 *supra* and such supply of liquor, intoxicating drugs or opium as the Deputy Commissioner may consider sufficient to meet local requirements must be maintained therein. The details of such supply will be published in the *Mysore Gazette*. Shops not opened by 1st July or on such dates to be fixed by the Deputy Commissioner in the case of bagani toddy shops shall be liable to be re-sold at the risk of the licensees.

19. No liquor, intoxicating drug or opium shall be sold in shops except for cash. The licensees shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shop-keepers or firms of standing and respectabilty dealing in Foreign and Special Liquors for consumption off the premises.

20. No liquor, intoxicating drug or opium shall be sold below the minimum prices prescribed for the sale of the same as noted in the foot note.*

Permits for liquor, intoxicating drugs or opium received must be carefully filed. The accounts and permits shall immediately after the expiry of the lease, be handed over to the Range Inspectors who shall preserve them for a further period of one year before they are destroyed.

23. Such returns and information as may be required from time to time by any officer not below the rank of an Excise Assistant Inspector shall be furnished by holders of licenses without delay.

24. Only such weights and measures as may from time to time be prescribed by the Excise Commissioner shall be possessed or used on any licensed premises. The possession or use of weights or measures that are incorrect on any licensed premises will render the licensee liable to punishment. In the case of toddy shops, earthen or other measures may be used provided they are of the same capacity as those of the prescribed measures which must however be maintained in all licensed premises. There is no objection however to use a quarter seer toddy measure in case of necessity.

25. Any officer of the Excise Department of rank not lower than Sub-Inspector is authorised to inspect licensed shops and depots. These officers are empowered to enter and examine the premises, to test weights and measures in use and the liquor, intoxicating drugs and opium in the possession of licensees, and to call for and check the accounts kept in the shop or depot. Police officers will also make an inspection when it comes within the scope of their duty.

26. An inspection note-book, within the pages numbered consecutively, for inspecting officers to enter their remarks in shall be maintained, and always kept in the shop and be handed over to the Excise Inspector in charge of the range or any officer authorised by him to receive it on a receipt being given therefor, when it is wanted by such officers for the purposes of an enquiry under the Excise Regulation or the rules framed thereunder.

Shops will be liable to be resold for failure to pay khist only after the 20th of the month. The service of notice on the defaulting licensee apprising him of the fact of resale of his shop or shops will be dispensed with under this rule. The licensee of a jatra shop shall pay the rent thereof in full before the jatra begins.

31. In the event of the aforesaid arrack, toddy or drug licensee failing to pay his khist, the Amildar with the sanction of the Deputy Commissioner by record in writing and after suspending the license shall re-sell after the 20th of the month for which the khist is due or on any subsequent date or dates for reasons which will be recorded in writing the privilege of sale with effect from the date of issue of license to the new purchaser or the privilege may be otherwise disposed of subject to the Deputy Commissioner's confirmation. All losses on account of suspension and re-sale or other disposal of the privilege shall be borne by the defaulting licensee, but he shall have no right to gain, if any, which accrues. The whole of the deposit, if any, made at the commencement of the lease will be liable to forfeiture at the discretion of the Deputy Commissioner who may either direct such forfeiture or appropriate the same towards the arrears due by the defaulter as well as towards the deficits if any arising from the re-sale or other disposal of the privilege. The officer who has power to suspend the license may, however, at his discretion, allow sales to continue pending re-sale or other disposal of the privilege.

35. Licensees are bound to report to the Deputy Commissioner all instances which come to their knowledge of persons employed by them in the manufacture, carriage or sale of liquor, opium and intoxicating drugs, committing breaches of the Excise or Opium Laws or of engagements entered into by them and to comply with the Deputy Commissioner's orders respecting the continued employment of such persons. No persons who have been convicted under the Indian Penal Code shall be employed in the carriage or sale of liquor, opium and intoxicating drugs without the Deputy Commissioner's previous permission.

36. Pecuniary dealings by licensees of any kind whatever with officials of the Excise Department are absolutely prohibited.

37. With the sanction of the Excise Commissioner, any license shall be revocable by the Deputy Commissioner at his discretion on giving the licensee fifteen days' notice of such revocation, in which case a proportionate part of the fee paid will be refunded.

38. All licensees shall be bound by any additional general rules that may be prescribed under the Excise or Opium Laws and if so required by the Deputy Commissioner or any officer authorized by him, to deliver up their licenses for amendment or for the issue of fresh ones.

39. No licensee shall have claim to any compensation or remission on account of any arrangements which may be made in regard to liquors or intoxicating drugs other than those to which his license relates.

40. should provide themselves with jars or other suitable receptacles which can be effectively closed and sealed and also arrange to get the consignments properly sealed before delivery from the Bonded Depots.

(2) The licensee shall pay the above duty, price and other charges into a Taluk Treasury or to a special shroff, if any, appointed on this behalf at the cost of Government, and located at the Taluk Cutcherry to receive such duty, price and other charges *daily* including Sundays and holidays or to such other officer as may be appointed by the Deputy Commissioner, and shall obtain a receipt in the prescribed printed form. Suitable arrangements shall, in this case, be made so that the vendor does not himself become the cleaner of such tumblers. A pail of water shall be kept at some distance from the counter or bar and a separate individual told off for the purpose of washing the vessels used for drinking."

(8) The licensee of every shop in the Cities of Bangalore and Mysore shall pay registration fee at the rate of Rupees (180) one hundred and eighty per annum in advance for the period of the license for his shop and he shall pay a surcharge of (4) four annas per gallon on all arrack sold by him in excess of 55 gallons a month in each such shop.

XXI. Conditions applicable to Toddy Licenses.

(1) The exclusive privilege conferred by the license extends to the sale of Date, Palmyra, Cocoanut, Bagani and Dadasal toddy. But in tracts where both Date and Bagani toddy shops exist, the licensee of the Date toddy shop shall not tap Bagani trees and the licensee of the Bagani toddy shop shall not tap Date trees; but both licensees can tap any of the other palm trees named above.

(2) For the supply of toddy to his shops the licensee shall have the privilege of obtaining, subject to tree-tax rules, toddy-yielding trees in the groves assigned to his shops or groups of shops, and he shall be at liberty to manufacture toddy from the trees in private lands under private arrangements between himself and the owners of such lands. If the Deputy Commissioner is satisfied that the said (hiduvali) trees should not be tapped, he is competent to withdraw the tree-tapping license and the licensee affected thereby shall not claim any damages therefor. In the case of trees on Government unoccupied lands included in the date reserve list and reserved for future use the previous sanction of the Excise Commissioner should be obtained before accepting applications for licensing them. He may purchase toddy from any licensed toddy shop-keeper on application to the Inspector, who will grant the required permits on proof of the necessary for the same in the following cases :—

(*a*) Where there is an unusual demand for toddy in a shop in consequence of a festival or for any other valid reason to be recorded by the Range Inspector.

(*b*) Where trees have ceased to yield during the last few days of a lease.

(*c*) Where toddy drawn by one shop-keeper at the end of the lease cannot reach the shop before the first few days of the new lease.

(3) No toddy except the produce of trees licensed for that shop and covered by a transport permit shall be transported to or kept in the shop or offered for sale or sold.

(4) The licensee shall be responsible to Government for all payments of instalments of fees due on account of tree-tapping licenses granted on his application in his own name or in the names of his nominees under the conditions set forth therein and in the rules relating thereto.

(5) If any instalments are not paid within the time, the tapping license shall be liable to be cancelled or suspended under Section 26 of the Excise Regulation. Fresh applications for trees shall not be accepted from licensees until the arrears of tree-tax relating to all their shops are paid up.

(6) In case of default, the Amildar will order the suspension of the tapping license till the arrears are paid up; and if, after receiving notice of such suspension, the defaulter or his agent or employee continues to tap the trees, any or all of them will be punished departmentally or be prosecuted for illicit tapping.

(7) Tree-rent at Re. 0-4-3 per tree shall be paid at the time of application for a tapping license for all Government trees applied for being tapped for the supply of toddy shops whether within or outside the Mysore Territories or in the Civil and Military Station, Bangalore. Railway cess on tree-rent will be levied in addition in the districts of Tumkur and Chitaldrug and Kolar as stated in the foot notes to General Condition 27 *supra*.

NOTE.—No trees on Government occupied land can be tapped without the consent of the owner. The present rangements as regards trees in alienated land will hold good, subject of course to the levy by Government of tree-tax.

(8) The tapping of date trees is subject to the following conditions :—

(*a*) Date trees shall be tapped only by professional men.

(*b*) Trees tapped one year shall not ordinarily be tapped the next year.

(c) Trees shall not be over-tapped or over-worked.

(d) In no date trees shall the initial incision be made at any point within four feet from the ground or eighteen inches from the top of any other incision except in places where permission is specially given by the Deputy Commissioner.

(e) The depth and width of the incision shall not exceed one-third of the diameter of the tree, and the length of it shall not exceed eight inches.

(f) The central spike-like clusters shall not be touched. Of the lateral leaves not less than two layers of leaves shall be left, reckoning from the layers immediately next to the central clusters down to the top line of the incision; or in other words, above the top line of the incision not less than eight leaves shall be left excluding the central spike-like clusters, on that face of the tree on which the incision is made.

(g) The licensee shall not cut or injure or permit to be cut or injured the trees licensed to him or any other trees.

(h) The licensee or his employer will be liable to pay a fine of two rupees for each tree, which may die from over-tapping or careless tapping either during the lease or within six months after its expiration. The fine will be levied on trees found dead at the close of every quarter. He will be liable to pay a similar fine for every tree which he prepares for tapping if it dies in consequence of such preparation before he taps it.

(i) The licensee will not be entitled to compensation for any trees withdrawn or taken up for public purposes or for any trees standing on the banks or beds of irrigation works under the control of the Public Works Department which that department may require to cut down or strip of their leaves or branches.

(j) When the licensee makes default and his shop is re-sold, or otherwise disposed of his rights to and claims on all toddy-yielding trees for the purpose of tapping cease and determine.

(9) The licensee shall not interfere with the persons holding license for cutting date leaves for mat-making, rope making, basket making, or for agricultural or other purposes when they make use of the trees assigned for such purposes, and not reserved for tapping.

(10) Deputy Commissioners may, subject to the orders of the Excise Commissioner from time to time, prescribe the minimum number of trees for which license will be granted, and the minimum number to be entered in a single application. They may also direct that the trees situated in one village only shall be included in an application.

(11) The distillation of spirit from toddy is absolutely prohibited.

(12) If the licensee of a group of shops wishes to establish a depot for depositing toddy required for distribution to his shops, he shall obtain a license for it in the prescribed form. The toddy intended for each shop shall be distributed in accordance with the permits granted for transport from the depot to the shop. The permits issued with the toddy transported shall be subject to examination and check by the officers authorised in this behalf.

(13) Tree-foot sales or sales in the open or the disposal of toddy in any other manner unauthorised by the rules, are strictly prohibited. Provided, however, that in Bagani tracts, the licensee who has purchased the right of vend of Bagani toddy, may permit the tapping of Bagani trees for domestic consumption as well as for sale within the limits of the village purchased by him.

(14) The licensee or his vendors shall not sell to any person more than three measuring seers of toddy to be consumed by the person at one time [illegible] shall it be sold to the public at less than the

retail rates fixed by Government and mentioned in the schedule. Toddy can be removed without a permit for consumption up to the limit of one imperial gallon or four seers.

(15) In every grove where toddy-yielding trees are tapped, a ladder shall always be kept by the tap-man to enable Excise Officers to examine spathes or incisions as the case may be.

(16) The licensee shall pay the usual mohatarfa tax on carts used for conveying toddy but such carts shall not be impressed for Government work.

(17) The following rules shall regulate the issue, etc., of licenses under Section 12 of the Mysore Excise Regulation, V of 1901, for the tapping of toddy producing trees and for the drawing of toddy therefrom :—

1. Tree-tapping licenses in the prescribed form shall be issued on the application—

(*a*) of licensed toddy shop-keepers or of their duly authorised agents;

(*b*) of toddy shop-keepers or renters in the Madras Presidency; and

(*c*) of tree-owners in the coffee estates, hittals and khans in malnad free of the prescribed tree-tax for drawing toddy for *bona fide* domestic purposes as per Government Order No. 11897-906—Excise 485, dated 28th June 1898, for such number of trees as may be found necessary by the Excise Commissioner.

The licenses may be issued in the name of the applicant himself or of his nominee.

2. Application for the grant of tree-tapping licenses must be made in the prescribed form to the Excise Inspector of the Range concerned through the local Treasury. Forms may be obtained from him or the Assistant Inspectors under him. Applicants must first pay the first instalment of tree-tax together with the tree-rent on Government trees due on account of the trees which they desire to tap.

3. The tree-tax on toddy produced by trees in the Madras Presidency, but consumed in the Mysore State, will be credited to the Mysore Government. The rate of tree-tax to be paid in such cases will invariably be the highest in force on either side of the frontier. Tree-tax on trees in the Madras Presidency for which tapping licenses are about to be taken out by Mysore shop-keepers, must be paid in one instalment to the Amildar of the taluk concerned in the Mysore State, who will grant a receipt in the prescribed challan form and certify at the foot that the applicant is a person entitled to take out tree-tapping licenses. The applicant will then make his application to British authorities in accordance with the Madras Government. Tree-tapping Rules; and will obtain a transport permit from the Inspector concerned in the Mysore State, for the transport of the toddy drawn from the frontier to the shop or depot for which it is intended, after having complied with all requirements of the Madras Government Rules. The British and the Mysore Governments reserve to themselves the right to impose in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed being payable by British and Mysore Licensees alike. The arrangements agreed to by the Madras and Mysore Governments with regard to the issue of the licenses for tapping trees in either territory on the application of shop-keepers in the other do not prevent the reservation of trees in any specified area, in the Madras Presidency or in Mysore State, with a view to afford rest thereto or for other sufficient reason and the mere payment of tree-tax into the British or the Mysore Treasury does not entitle an applicant to tapping licenses for trees so reserved.

4. Applications for tree-tapping licenses, for trees in occupied or alienated lands, should be countersigned by the owner of the trees intended to be marked, in token of his consent to the trees ~~being tapped and~~ to holding himself liable for the tree-tax in case the license-holder fails to pay it and such countersignature shall, in the case of illiterate owners, be attested by the patel or shanbhog of the village in which the trees stand. Applications for tree-tapping licenses for trees in the State Forest and plantations should be countersigned by the Forest Range Officer in token of his consent.

5. On receipt of an application, the Inspector will at once take steps for the marking of the tree by an officer superior in rank to a Sub-Inspector or or in special cases by an officer not inferior in rank to a Sub-Inspector and for the timely issue of the license and transport permits as detailed in the T. T. Rules. Applicants for date trees shall get the requisite space on their stems prepared and point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so, after reasonable notice, the tree-tax and tree-rent paid by them shall be liable to be forfeited at the Deputy Commissioner's discretion.

6. No trees shall be tapped, nor shall toddy be drawn from any toddy tree, nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer. But the removal of leaves for the purpose of making incisions and the preparation of the spathes or spaces for the drawing of toddy is permitted as soon as the application in the prescribed form has been delivered to the Treasury concerned.

7. For all toddy-yielding trees, tree-tapping licenses shall be annual, from the 1st July to the 30th June next irrespective of the time when the application for a tree-tapping license is made. For the convenience of the licensee, the applications for tree-tapping licenses will be received, trees will be marked, and licenses will be issued during the fifteen days, and pots may be attached to such marked trees during the eight days, immediately preceding the period to which they relate to take effect from the commencement of such period: Provided that no toddy shall be removed from the trees except during the currency of such license.

8. Between sunset and sunrise no toddy shall be drawn or kept by a person holding a license under these rules in the garden or field in which stand the trees which he is licensed to tap. The Excise Commissioner may relax the restriction in any local area on sufficient cause being shown. This will not apply to toddy contained in the pots attached to the spathes of the trees.

9. The following shall be the fees payable on account of each tree for the tapping of which license is applied for :—

Description of trees.	*Rates of tree-tax per tree per annum.*		
	Rs.	a.	p.

To All Drawers of Salary and Establishment Bills and Deputy Commissioners of Treasury Departments of Districts.

With reference to the changes in State Provident Fund Rules sanctioned by Government and published on pages 2 and 3 of the Gazette of 4th January 1917, the attention of all drawers of salary and establishment bills is invited to the following points:—

1. The new rates of subscriptions should be adopted beginning with the amounts payable in February 1917. The rate of salary for the purpose of calculation of monthly subscription, payable for the remainder of the current official year, under the revised rule, should be that drawn in respect of the 31st January 1917.
2. From 1917-18, onwards the subscription should be based on the salary in respect of the 30th June of the previous financial year. The monthly rate of subscription should be in whole rupees. The minimum subscription is 6¼% of salary where this amount is not a sum in whole rupees, the sum in whole rupees below that amount should be taken as the minimum.
3. In the case of persons whose pay is less than Rs. 10 the minimum rate of subscription is half-anna in the rupee, rounded to the nearest multiple of 4 annas below the calculated amount.
4. In cases where the monthly minimum rate payable under the rule is less than a rupee, the nearest multiple of annas four below the calculated amount, should be paid.
5. The monthly subscription, a depositor elects to pay for any financial year, should be taken at that which is paid at his instance from his claim for the preceding June and the rate thus elected cannot be altered later on in the year.

To—All Drawers of Bills in Form No. Fin. 101 A. and Deputy Commissioners, Treasury Departments, of Districts.

The salaries of the marginally noted officers on Provincial Scales of Establishment are now being drawn on separate bills in Form No. Finl. 101A. and not on those on which the pay and allowances of the establishments—clerical and menial—working under them are drawn. Government have, in their Order No. Fl. 4521-70—G. F. 155-16-2, dated 14th February 1917, directed that this practice should be changed and that the salaries of these officers should, in future, be included and drawn in the regular establishment bills in Form, Finl. 19. The undersigned has the honor to request that this new procedure sanctioned by Government be brought into effect commencing with the bills for February 1917, presented for payment on or after 1st March 1917. According to the new procedure there should be but one bill prepared in Form No. Finl. 19 for each establishment concerned and it should include the pay and allowance of the officers noted above and also of the members of their establishments. Separate bills for the above officers in Form No. Finl. 101A. should not hereafter be cashed by Treasuries.

To—The Deputy Commissioners of Districts (Treasury and other Departments), and Heads of Departments.

The Government have ordered that the system of pre-audit of travelling allowance bills be discontinued. The new procedure of presenting travelling allowance bills to the treasury for encashment without audit by this office will come into force from 1st April 1917.

3. All travelling allowance bills for the months beginning with March 1917, will be cashed at the treasury without pre-audit by this office but those for any previous period should be submitted to this office for pre-audit. INSURANCE.

THE MYSORE STATE LIFE INSURANCE—FAMILY PENSION BRANCH.

Dated 15th October 1914.

As sanctioned in Government Order No. Fl. 4906—B. 33-09-6, dated 18th March 1911, a Family Pension Branch was started as an adjunct to the Mysore State Life Insurance Scheme under separate Rules and has been in operation from August 1911. All employees of the Government who are eligible for life insurance may secure substantial pensions to their parents, wife, children and certain other relations by paying additional monthly subscriptions. For example an employee whose present age is twenty-five years, may secure a life pension of Rs. 5 payable from the date of his death, to his wife whose present age is 18, by paying a monthly subscription of Rs. 1-7-9. Similarly a monthly pension of Rs. 5 payable from the date of death of the subscriber to the date on which his son attains his 21st year or his

daughter attains her 18th year or marries, may be secured to a son or daughter whose present age is 5 years, by paying a monthly subscription of Re. 0-11-7.

As a concrete instance of the benefits of the fund, the following case may be mentioned. An officer joined the Family Pension Branch as a subscriber in August 1913, the monthly subscription payable by him being Rs. 17-10-10. He died in September 1914, having paid subscriptions to the extent of Rs. 230. The following pensions are payable to his nominees :—

Monthly. Mother Rs. 10, wife Rs. 20, both for life. Each of his 4 daughters Rs. 10, till they attain their 18th year or marry.

There are reasons to believe that the existence of this Branch of the State Life Insurance Office and its benefits are not known to many Government employees. Every one interested is requested to obtain a copy of detailed rules by applying to the Secretary to the Mysore State Life Insurance Committee, Bangalore.

(1) In any case in which a penalty or confiscation has been adjudged by competent authority under any law for the time being in force for the prevention of indiscriminate destruction of wild animals and birds and for the protection of game and fish in Mysore, the Conservator of Forests may grant, in such proportions as he thinks fit, to any person, or persons who may have contributed to the conviction of the offender or to the seizure of the property so confiscated, a reward not exceeding the sale proceeds or assessed value of the animal, bird or property confiscated plus the amount for which any other article confiscated may sell plus the amount of any fine imposed therein.

No. 414—L. C., dated 21st March 1917.

Under Rule 31 of the Rules for the conduct of business of the Mysore Legislative Council, the following Bill further to amend the Tank Panchayet Regulation, 1911, is published for general information together with a statement of objects and reasons.

By Order,
G. SREENIVASA IYER,
Secretary, Mysore Legislative Council.

Bill further to amend the Tank Panchayet Regulation, 1911.

Whereas it is expedient further to amend the Tank Panchayet Regulation, 1911; His Highness the Maharaja is pleased to enact as follows:—

Amendment of Section 6 of the Regulation.

In Section 6 of the Regulation, for the words "not less than one-fourth or more than one-half" the words "not exceeding one-fourth" shall be substituted.

Statement of objects and reasons.

Under Section 6 of the Regulation, the number of elected members of a Tank Panchayet has to be fixed by the Deputy Commissioner and out of the number so fixed not less than one-fourth has to be elected by the raiyats holding dry lands or paying mohatarfa but not holding wet or garden lands from among themselves. The observance of this rule is found, however, to be often attended with difficulty and hardship as in some cases even one-fourth of the required number cannot be found among those who satisfy the above condition and who are also qualified under Section 4. It is therefore proposed to amend Section 8 so as to fix one-fourth as the maximum proportion for this class of members so that in cases where even one-fourth is not available the number available alone may be taken from this class and the rest of the members elected from the others.

No. 416—L. C., dated 21st March 1917.

Under Rule 31 of the Rules for the conduct of business of the Mysore Legislative Council, the following Bill further to amend the Indian Evidence Act, 1872, is published for general information together with a statement of objects and reasons.

By Order,
G. SREENIVASA IYER,
Secretary, Mysore Legislative Council.

A Bill further to amend the Indian Evidence Act, 1872.

Whereas it is expedient further to amend the Indian Evidence Act, 1872, as in force in Mysore; His Highness the Maharaja is pleased to enact as follows:—

Amendment of Exception 2 to Section 91.

In exception 2 to Section 91 after the words "British India" the words "or in the Civil and Military Station, Bangalore, or within Mysore" shall be inserted.

Statement of objects and reasons.

Under Section 91, exception 2 of the Indian Evidence Act, I of 1872, as amended by Act XVIII of 1872 and introduced into Mysore by Government of India Notification, Foreign Department, Judicial No. 143, dated 18th July 1872 and the Chief Commissioner's Notification No. 207, dated 28th November 1872, respectively, wills can be proved in Mysore Courts by the production of a probate granted in British India.

The language of this exception is not wide enough to allow probates granted by the Courts of the Civil and Military Station, Bangalore, and of the State to be received in proof of wills. This omission which is due to oversight has been brought to the notice of Government by the Chief Court and it is meant to supply it by the amendment proposed in this Bill.

NOTIFICATION.

No. J. 2389—Legis. 10-16-4, dated 6th January 1917.

Under Rule 32 of the Rules for the conduct of business of the Mysore Legislative Council the following Bill further to amend the Mysore Land Revenue Code, 1888, is published for general information together with a statement of objects and reasons.

A Bill further to amend the Mysore Land Revenue Code, 1888.

Whereas it is expedient further to amend the Mysore Land Revenue Code, 1888; His Highness the Maharaja is pleased to enact as follows:—

Amendment of Section 210 of the Code.

In sub-section (2) of Section 210 of the Mysore Land Revenue Code, the following words shall be added after the words "the force of law":—

"in the case only of a decision or order passed by him in first appeal."

STATEMENT OF OBJECTS AND REASONS.

Under Section 210 of the Mysore Land Revenue Code, 1888, an appeal lies from any decision or order passed by a Revenue Officer under the Regulation or any other law for the time being in force to that officer's immediate superior authority, whether such decision or order may itself have been passed on appeal from a subordinate officer's decision or order or not. But the decision or order of the Revenue Commissioner is final on a point of fact and under Section 210 (2) of the Land Revenue Code an additional appeal lies to Government against his order if a point of law is involved. Government are of opinion that even then a large number of third and fourth appeals come to Government and further restrictions are necessary.

It is therefore proposed to make the Revenue Commissioner's decision or order on a second appeal final and not to allow in such cases a further appeal to Government even on points of law.

By Order,
G. SREENIVASA IYER,

Report of the Select Committee on the Bill to amend the Mysore Muzrai Regulation, 1913.

We, the members of the Select Committee appointed to consider the Bill to amend the Mysore Muzrai Regulation, 1913, have the honor to submit the following report to the Council. We have examined the Bill and consider that, in view of the Full Bench decision in 12 M. C. C. R. 255 (Mallegowda *versus* Kodisidda), that the Civil Courts in Mysore have jurisdiction in cases relating to pujari rights in respect of temples, etc., which are not under the control or management of the Muzrai Department, the Bill is unnecessary.

We therefore recommend that the Bill may be dropped.

No. 307—*L. C., dated* 13*th February* 1917.

Under Rule 40 of the Rules for the conduct of business of the Mysore Legislative Council the following report of the Select Committee appointed to consider the Bill to amend the law relating to Arbitration is published for general information.

By Order,
G. SREENIVASA IYER,
Secretary, Mysore Legislative Council.

Report of the Select Committee on the Bill to amend the law relating to Arbitration.

We, the members of the Select Committee, appointed to consider the Bill to amend the law relating to Arbitration, have the honor to submit the following report to the Council—

2. We have examined the Bill carefully and have made only the following alterations therein :—

Clause I (3).—It is considered desirable that this Bill should come into force on the same day as the Mysore Companies Bill. As that Bill has been recommended to be brought into force on the 1st day of July 1918, a similar recommendation is made in regard to this Bill also.

Clause 3.—The only paragraphs of the second schedule of the Code of Civil Procedure, 1911, which refer to private arbitration are paragraphs 17, 18, 19, 20 and 21. It is considered sufficient if the provisions contained in those paragraphs are excepted from the operation of the Regulation. Hence the words "paragraphs 17, 18, 19, 20 and 21 of" are inserted between the word "and" and the words "the second schedule," and the words "and section 89" are omitted.

Clause IX of the First Schedule.—The words "and may tax or settle the amount of costs to be so paid or any part thereof, and may award costs to be paid as between a solicitor and client" are omitted.

3. We recommend that the Bill as amended by us may be passed.

4. As the Bill has not been materially amended we consider that it is unnecessary to publish the Bill as amended in the Gazette.

Under Rule 40 of the Rules for the conduct of business of the Mysore Legislative Council the following Report of the Select Committee, appointed to consider the Mysore Companies Bill is published for general information.

By Order,
G. SREENIVASA IYER,
Secretary, Mysore Legislative Council.

Report of the Select Committee on the Mysore Companies Bill.

(Note.—In referring to the clauses of the Bill the old numbering has been adopted.)

We, the members of the Select Committee appointed to consider the Mysore Companies Bill, have the honor to submit the following report to the Council:—

2. We have examined the Bill carefully and have made the following amendments therein—

Numbering of clauses.—We have altered the numbering of the clauses in the Bill to correspond with the numbering in the Indian Companies Act, 1913, as this will facilitate reference to the decisions of the British Indian High Courts on the Act in construing the corresponding provisions in the Bill when passed into law.

Clause 1 (2).—The present companies law will be amended considerably by this Bill and many new provisions are introduced imposing greater obligations on the managers, promoters and other officers of companies. We consider, therefore, that a sufficiently long time should elapse between the passing of the Regulation and its coming into force, and recommend that the Bill be brought into force on the 1st July 1918.

Clauses 2, 254, 255, 256, 257 and 292.—As the British Indian Acts XIX of 1857 and VII of 1860 were not in force in Mysore, all references to those enactments have been omitted in the Bill.

Clause 2 (7a).—"The Indian Companies Act, 1866" has been defined as meaning "Act X of 1866 as extended to Mysore."

Clauses 4, 257, 259, 260, 264, 270, 271 and 274.—As companies have not been formed in Mysore under any enactment in force other than the Indian

Companies Act, 1866, the Mysore Companies Regulation, 1895, or this Bill, all references to Companies formed under other enactments at any time in force in Mysore have been omitted in the Bill. Similarly references to Letters Patent and Charters have also been omitted.

Clause 111.—There is no provision in Mysore similar to that of the Government of India, Act IV of 1902, empowering Tramway Companies to pay interest on paid up shares during construction and charge the same to Capital. The provisions of clause 111 should be made applicable to such companies also and paragraph (8) of the proviso to that clause has therefore been omitted.

3. The other amendments are only of a verbal nature.

4. We recommend that the Bill as amended be passed.

5. As the Bill has not been materially amended we consider that it is unnecessary to publish the Bill as amended in the Gazette.

8. The sheds will be made of mud-plastered thatti walls, thatched roof, gravel-floor and thatty-doors.

9. The material of the sheds will be the absolute property of persons who have paid for the sheds.
